

Today, I had planned on doing another Wacky Wednesday (God knows we all need a laugh!)... However, I feel strongly that He wants me to share some amazing facts with you.

Do you know what the definition of fact is?

- 1-something that actually exists
- 2-reality
- 3-truth
- 4-something known to exist or to have happened

I pray our natural minds will grab hold of the fullness of truth! Think about it, and I mean really think about it. I am giving you facts.

- Fact -The presence of God on your side immediately gives you a winning majority against any opponent. God on your side automatically gives you the winning advantage.
- Fact- Christ paid for it all and it is finished (John 19:30).
- Fact- He is so incredible that when we grab hold of the truth, we are never the same again.
- Fact- He never changes.! He is same yesterday, today and forever.

When Jesus hung on the cross, God gave us everything we needed. On that day, not only did Jesus win the victory, but He gave that victory to his believers.
What Jesus defeated on the cross is endless.

- Fact- Because of Jesus, you have been declared the official winner. The Word assures you that He is on your side. As a child of God, you can rest in the fullness of this truth. God is not against you He is for you! God is for YOU!
- Fact- If God be for you, who can be against you?
- Fact- God is on your side.
- Fact- No one can be against you.
- Fact- You are guaranteed to be the winner.

I am not talking about man's facts. I am talking about genuine, honest to goodness facts of God.

- Fact- People may try to come against you, but they cannot do so successfully.
- Fact- Situations may try to come against you, but they cannot do it successfully.
- Fact- The enemy may try to come against you through a variety of things, but he cannot do it successfully.
- Fact- You can have full assurance He is with you and working things out for you
- Fact- When you know that God is on your side, you are not afraid.

Better yet, when you know God is on your side, why should you be afraid?

- Fact- You can remain unmoved in spite of the changing circumstances of life.
- Fact- You can be absolutely sure that God really is for you in each and every circumstance by looking at what God has done for us in Christ.
- Fact-The power of God's Word will always give us strength to keep going, even through the most difficult times.
- Fact- The brilliance of HIS love gives us the strength we need to find our way through the darkest of times.

Lord, we willingly looking at You today. Forgive us for doubting what You say. Forgive us for looking at the wrong things and not at You. Today, we willingly believe You. Today, we willingly embrace the truth that You are for us. Today, we want our lives to bless You!
