### THE NEWS

Hello everyone! Time marches on and I've got to say again that it's wonderful that we're able to at least zoom together, socialize a little, and share some music with each other. We've been getting about 20 club members getting together virtually each zoom session, but there are still some faces we've not yet seen. If you've been absent, see if you can figure things out for the next meeting and say hello. Look up **zoom.us** and you can easily set up the app on your computer. Next, ask "How do I join a zoom meeting for the first time?" There are a bunch of video tutorials that can show you what to do. It might seem overwhelmingly complex until you just try it but we'd really like to see you. If you give me a call, we can set up a sample zoom and figure out things before the next meeting. One week prior to each meeting I'll send out a zoom invite.

**For the last meeting of this month** here's a challenge you might enjoy. Google - "show me popular songs from ( whatever year you were born)". Find a nice song that you like from the list(s) that you

access. From there you can often find different versions of the song on Youtube and listen to them or you can go to **harptabs.com** and usually find the harmonica tablature you need.

Until we meet again...Happy Trails!
