

Skydive Headcorn

Accelerated Freefall Progression

Having completed an AFF training course and first jump (level 1), it is possible to continue jumping and to gain a licence after a minimum of eighteen jumps. Progression jumps are as follows.

- Two jumps with two instructors demonstrating awareness and control from 12,000 feet (levels 2 and 3)
- Two jumps with one instructor demonstrating turns from 12,000 feet (levels 4 and 5)
- Two jumps with one instructor demonstrating loops, tracking and turns from 12,000 feet (levels 6 and 7)
- One solo jump deploying your parachute within ten seconds of exit from 5,000 feet (level 8)
- Ten solo jumps consolidating your skills from 12,000 feet (consolidation jumps)
