Simple home improvements, like making energy upgrades in your bathroom, can go a long way in helping you save money on your energy bills. That's why our partner FOCUS ON ENERGY® is offering a limited-time deal on a **Bathroom Bundle** at the [Online Marketplace for just \\$15](#).

This bundle of high-efficiency products is available for **only \$15** until March 7! Limit two per household. The Bathroom Bundle includes:

- **Eight (8) globe LEDs:** These LEDs come in a warm white color temperature and are great for bathroom lighting fixtures.
- **One (1) efficient multifunction handheld showerhead:** Save water without sacrificing water pressure. Plus, this showerhead has three settings: full-body, massage and pause spray.
- **One (1) bath faucet aerator:** Faucet aerators provide the same forceful streams as standard faucet fixtures but at a reduced flow rate.
- **One (1) LED night-light:** No more fumbling around in the dark—this night-light emits neutral, energy-efficient light that complements any décor.
