

MY WESLEY CHAIR STORY - JOIN THE MOVEMENT

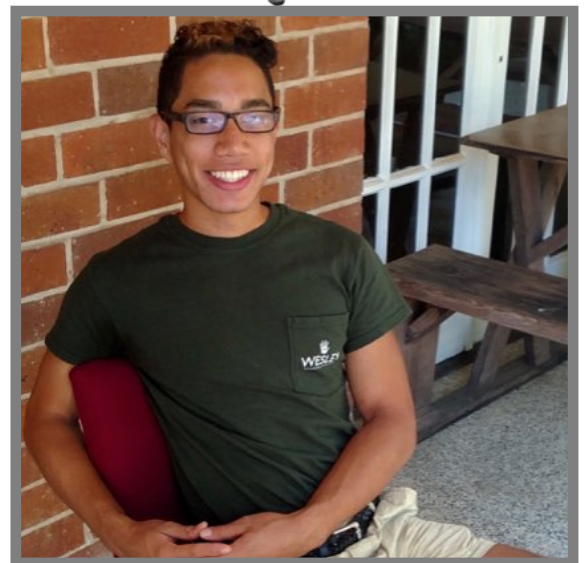

Wesley is planning to purchase 600 new chairs to use in our new building. We are asking alumni, parents, family, and friends to consider donating the cost of ONE CHAIR for \$35. Each week, a student will sit in a chair for Sunday worship or Wednesday meals. Students will sit in these chairs for staff meetings, leadership gatherings, family groups, final week breakfasts, studying, and so much more.

Wesley has started a social media movement called My Wesley Chair Story. We are inviting people to share pictures, stories, and videos of how God impacted your life during your time at the Wesley Foundation. We have purchased one of our new chairs. We are inviting students, staff, alumni, and friends to take a picture in the new chair and share your story. Invite us to come to your house, your church, or wherever, and we will bring the chair with us!

If Wesley made an impact on your life or the life of a loved one, would you consider donating \$35 for ONE CHAIR. You could even donate \$70 for TWO CHAIRS. Donate in honor of your campus minister, your best friend in college, a spiritual mentor, your duster or your family group leader.

Use the “donate now” button on Wesley’s website and give securely with your credit card. Just type “My Wesley Chair Story” in the notes. Or make a check payable to the Wesley Foundation and write “My Wesley Chair Story” in the memo. Thank you so very much for your help!
