

Families have the option of choosing to attend Mother's Day Out Preschool and Childcare Center 2 to 5 days per week during the September - May school year. Summer enrollment will be available through a different registration form. Please choose which days work best for your family's childcare and preschool needs and we will try to accommodate them to the best of our ability. We ask that you provide us with a 1st and 2nd choice when choosing your days to help us with this process.

Our Toddler and Two's classes now offer 1 day a week programming. Our 1 day a week program runs from 9:15-12:30 pm only.

Our 4K program will offer a choice of a 3, 4, or 5 day schedule. Families may choose the following options which best meet their childcare and preschool needs:

3 day options:

Monday, Wednesday, Friday

Tuesday Wednesday, Thursday

4 day option must include Wednesday

5 day option

This program offers small class size with the emphasis on Kindergarten readiness in a hands-on approach. Results have shown students in full-day programs are hitting year-end goals faster, and developing a love of learning at an earlier age. Our 4K program will continue to offer "Handwriting without tears curriculum." Research supports the active teaching of handwriting improves creative writing skills and fine motor skills.

We will offer the following classes for your toddler and preschool child:

Three's Class- child must be 3 yrs of age as of September 1, 2018
