Wi

Willow

Wi Willow loves to go on “Treeventures wherever he is needed. From helping friends to assisting strangers, Wi gets the job done. Here are some words to describe Wi:

- Treemendous
- Treerific
- Treemazing
- Treespectable

What is a Treeventure?

Glad you asked

It is the ability to use your imagination in ways that stimulate fun, learning, adventure and being helpful.

The word "Treeventure" is rendered in a large, bold, 3D-style font. The letters are dark grey with a slight gradient and a shadow effect, giving them a three-dimensional appearance. Below the main text, there is a lighter, semi-transparent reflection of the word, creating a mirror-like effect on a surface.

It is time for you to  
meet the tree with  
the biggest heart –  
Wi Willow

Hello everyone, I am  
Wi Willow

I am a tree.

I am not some  
ordinary tree.

I am a special tree.

I am going to show  
you all the neat  
things that I can do  
as a tree.

There is nothing  
better than a nice  
sunny day for me.

When it is a sunny day,  
the birds fly and  
normally there is not a  
cloud in the sky.

A sunny day can  
bring peace and  
calm and a lot of  
beauty.

Today I want you  
to meet a good  
friend of mine.  
Her name is Sally  
Sparrow.

Sally why don't  
you tell all that  
nice boys and  
girls about  
yourself.

I am a small bird  
about 16 cm in  
length and I weigh  
between 0.85–  
1.39 oz

How do we look?  
Females and young  
sparrows are  
colored pale brown  
and grey, and males  
have brighter  
black, white, and  
brown markings.

I feed mostly on  
the seeds of grains  
and weeds, but on  
occasions I don't  
mind eating insects  
and many other  
foods.

Here is the sound  
that I normally  
make.

I also love to fly  
and land on soft  
branches of a tree .

Who Sally. You know I  
love for birds to fly and  
land on my branches.

I know Wi. I have  
spent some time  
on your soft  
branches.

Wi, you provide  
protection for me  
and my friends  
when it raining.

You protect us  
from the very bad  
storms.

You also protect  
us from a very  
windy day.

You give us shade  
on a hot sunny  
day.

Me and All my  
friends Love you  
Wi.

And Wi, Loves  
you all!!!

Sally and Wi –  
A SPECIAL  
FRIENDSHIP.

Thank you, boys and girls, for going on this Treeventure with me. Stay tuned for more treeventures Wi Willow.

## **Author's Notes**

**Imagination is such a beautiful gift we can allow a child to have with no limits. The process of curiosity is a natural stage of development for children. They are natural-born scientist and investigators. It is our responsibility to foster and nourish those innate skills in our kids. So, go grab those pots and pans or a box and start using those beautiful, colorful, and creative imaginations!**

**Rhonda D. Brooks and Rodney D. Brooks**

## **About the Authors and Creators**

Rhonda D. Brooks is a vivid creator who has years of experience working with children of all ages and various life developments. As a preschool teacher and mentor, Rhonda understands the importance of a child 's creativity and imagination.

Rodney D. Brooks is an author and founder of both Brothers Brooks Vision 2 Mission LLC and The Wallaroos Learning and Adventures LLC. as well as Human Resources Professional with over 30 years in the field.

Rhonda and Rodney are the authors and concept creators of The Treeventures of Wi Willow and The Wallaroos. Their philosophy is that every child can learn the world around them by using their curiosity, imagination, and creativity. Their unique characters, storylines and activities are fun, educational, and inspiring for young children and parents to enjoy. So, get ready for “Treeventurous” and “Funventurous” time!
