**JICKSON CORPORATION PTE LTD**

Since our inception in 1970, Pacific Packaging (Far East) Pte Ltd has amassed over 50 years of industry experience. We are now the leading manufacturer, converter and distributor of packaging, household and disposable products to food services, hospitality and retail industries in Asia Pacific.

Our wide range of premium quality and specialised packaging, household and disposable products under our LACY'S® brand include Cling Film, Aluminium Foil, Baking Paper, Greaseproof Paper, Zipbags, Gloves, Aluminium Trays, Disposable Cutlery, Food Warmers and many other products catering to the specific and different needs of Food Service Professionals and Consumers. Our core line of products under our LACY'S® branding are made in Singapore and exports to over 20 countries across Asia Pacific.

Beyond our core line of products, we also provide Private Labels (OEM) Packaging Solutions for many renowned brands in the APAC region. Our ever-growing presence also extends into other regions, such as South Asia and Africa.

Our vast experience in the industry has enabled us to build a strong, reliable and trusted brand through our strict selection of suppliers, exacting standards of production quality control and highly personalised services for all our customers. With the incorporation of Jickson Corporation as a local distributive arm in 1974, we are able to service many of our customers, including major Hotels, Airlines, Restaurants, Supermarket Chains, Retailers, Caterers and Wholesalers, who have been together with us for decades. Our brand love amongst consumers in Singapore has led to our LACY'S® brand being awarded Singapore Superbrand for 5 consecutive years from 2019, 2020, 2022, 2023 and currently, 2024.

At Pacific Packaging (F.E.), we firmly believe in a strong partnership with our customers to help them achieve their business goals through excellent service and premium products. We will continue to strive for even greater excellence and innovation in our products and services to all our customers in the future.
