RE: FORMAL COMPLAINT - VIOLATION OF HENRY O. CLARK, JR RIGHTS

Dear Madam/Sir:

This is to inform you of my actions due to your lack of actions in regards to my complaints from 2006 to the present pertaining to Attorneys Todd Weglarz, Ven Johnson and Geoffrey Fieger NOT representing their client, Henry O. Clark, Jr. in a medical malpractice/wrong death case. Last week, I left a voice message for Todd Weglarz stating that "he need to take a step back to remember what happens to attorneys that screw over their clients". "And, I am going to inform the Supreme Court and the Justice Department".

Their lies, conspiracy and collusion have cause harm. Our rights have been violated. And, due to their fraudulent actions, more people, organizations and even some state of Michigan departments are involved. Most of these people possible have benefited from the corrupt actions of the above individuals in this case and others as well.

It appears that the above attorneys' actions have been overlooked in the past by watch groups such as the Attorney Grievance Commission. Now, everyone wants to cry foul. The truth is it has been foul a long time. Now the time has come to address the lies, conspiracy and collusion. And, it is quite obvious that this Commission will continue to support these individuals and others like them. I am NOT THE PROBLEM. The problem is supporting corruption in the ranks. I am STANDING UP for justice for my husband. Finally, I do know this is so hard for you and them to believe but Henry O. Clark, Jr. and I have RIGHTS.

Sincerely,

Barbara Lewis-Clark  
Personal Representative  
for Henry O. Clark, Jr.
