

Rockstar
spray tans

Hello, Friends!

September is Ovarian Cancer Awareness Month, please read a special message from Esthetician and Spray Tan Artist, Shanon Anderson. During the month of September we will be donating 10% of our Spray Tan and Eyelash Lift sales every Tuesday to the [Colorado Ovarian Cancer Alliance](#).

Ovarian Cancer Awareness Month is a cause near and dear to my heart. In late 2015 I was diagnosed with ovarian cancer. It was less than two weeks after my 30th birthday. This was shocking news as I had a hysterectomy at 28 due to countless ovarian cysts. Doctors left one ovary due to the fact that I was too young to go through menopause. At the time my daughters were 8 and 3 so fighting was the only option. After six vigorous weeks of intense chemotherapy, oral and injectable treatments, here I am three years later cancer free!!!! This September join us every Tuesday for "**Tan It, Lift It, Teal Tuesday's**". Wear teal every Tuesday and especially on National Wear Teal Day on Friday, September 7, 2018 and encourage your friends, family, and co-workers to do the same!

Thank you for your support,
Shanon Anderson
