OBEDIENCE AND RALLY CLASS REGISTRATION

Fall Session

We are only a few weeks into our summer training session but the time will go by quickly! I want to give everyone a heads up for the Fall session registration. The last classes for the Summer session are the week of August 19.

Fall session registration for the Tuesday, Wednesday, and Thursday obedience and rally classes begins Tuesday, August 13. **Sign up deadline is Monday, September 2**, with **classes beginning the week of September 9**. This is a 10 week session. Member and non-member forms will be available on the front table, as well as, on the wall. Completed forms can be placed in my yellow folder behind the kitchen door or mailed to my home address listed on the forms. ~Cathy Bender

From the President...

Well, we have had a very busy June at club. Classes starting for the Summer Session, Milwaukee Dog Training Club's annual Obedience/Rally Trials, Greater Milwaukee Poodle Club's and WWCDTC's annual weekend. Club members did well at these trials all around including a 200 by Yvonne Pfeiffer at our trial. Congratulations Yvonne.

Summer must officially be here now. It has been over 70 degrees for more than a week and sounds like it will be warm the upcoming weeks. Hopefully, we won't have so much rain now, although it does make the grass look beautiful and our flowers sure are enjoying it. On the plus side, it has saved Lorene from coming every day to water. Thanks a lot Lorene for doing that.

We had a good 4th Friday Run Thru this past Friday. Not a huge amount of people but just enough to have a good time. We also had some prospective new people coming which was great.

Now we can get ready for the Agility Trials in Middleton on the 6 & 7 of July. Donna Schmitt is in charge and will be putting the final touches to this event at a new place. Anyone who still wants to volunteer to be a worker, please contact Donna. It isn't a bad drive out there and is easy to find.

On July 14th, Linda Koutsky will be doing her mini seminar on command discrimination. We are looking forward to having her back again this year. If you haven't signed up for that, the form is in this newsletter or contact Nancy Schmitt. She is very entertaining and knowledgeable about training these exercises.

The July 23rd meeting is our Annual Ice Cream Social. So come and enjoy just a nice evening with friends and fellow trainers. The Club will provide ice cream and all the toppings to make it delish.

Have a good summer.

Happy heeling,

~Joan

An Important Note about Class Attendance Communications

Hi Everyone,

This is a reminder that if you are not able to attend an obedience or other class that you are scheduled to attend, please do the courtesy of calling or texting the instructor of your plans prior to the class time. Sue Darsch and I co-teach a novice obedience class on Thursday evenings and last night of a class of 7, no one showed up or called to let us know that they would not be attending class. Sue has days that she is not always feeling the great, so the fact that she is showing up weekly is a great service to our club. Please remember that our instructors give up at least 10 weeks of their time to teach each session. Thanks for your consideration!

~Mary Beth Breunig

Club Member Accomplishments

I'm hoping I got everyone but I thought it was neat that WWCDTC dogs did so well in rally for 2018 and I'm so proud to be both a participant in the WWCDTC program and an instructor. Additionally, Chrome had two new titles to celebrate. At the end of April, he completed his Novice Standard Preferred title and the first Saturday in May, he completed his Working Weight Pull Dog Advanced (WWPDA) title and picked up his second Excellent leg by winning the 81-100# weight class at the Motown Working Alaskan Malamute Club's pull with a pull of 2,330#. His full name with titles is AG1 U-CH Powderhound N ArcticThunder's Light 'Em Up WWPDA WPD NAP NFP, bred by me and co-owned with Lori Leutner-Boese. His mother, Lucy (listed above in the Rally Combined), came off the bench having freshly turned 11 years old to, much to my surprise, win the 61-80# class at that pull with a top pull of 2,430#. That's right, her son has 10# on her and she pulled more than he did. Lu is owned by and bred by me. --Jen Effler-Leveille

WWCDTC DOG MEMORIAL

Unfortunately, we have to say goodbye to our best friends at some point. WWCDTC has a Memorial Board in the entrance where you can honor your friend. A plate which includes the dog's name, life span, titles earned, owner, etc., will be made and placed on the Memorial Board. WWCDTC invites members to memorialize their dog there. Forms are available on the board and the cost is \$25.

Volunteer Opportunities

Each member is required to help at club events throughout the year. You are asked to work at least one trial and one Friday Run Thru each year. This is a great way to get to know club members and to see other handlers working with their dogs. Our club works because we all pitch in- please do your part! See the dates in the attached calendars and contact the person in charge of the event to volunteer.

Thank you!
