**“AND GOD SAW EVERY THING THAT HE HAD MADE”**

*‘And Behold, It Was Very Good’*

Genesis 1:1-31 “God saw it was good.”

“Such as are thy habitual thoughts, such also will be the character of thy soul- for the soul is dyed by thy thoughts.” Marcus Aurelius.

*Laws of life:* that we need to learn, practice, and cooperate with to lead a happy and successful life.

Law one- seeing the good in everyone and everything is one such idea.

Law two- recognizing and appreciating the beauty that is all around us.

Law three- whatever we give our attention to, and believe in, tends to become our experience.

Law four- instructs us to begin to practice the art of giving our attention and belief to good ideas.

Practice abiding by the ideas of abundance, wisdom, strength, love, faith, imagination, life, and health. It is then we begin to see positive and distinct changes for the better transforming our lives.

Is your life beautiful? “*There*” is no better than “*here*.”

“Become passionately in love with beauty, in its myriad shapes and guises.” Lusang

Be deeply in love with God, yourself, others, and everything around you.

Love today! ..It is all you have.

Concentrate your thoughts on the good, the beautiful, and the true things of life.

Concentrate your thoughts on God and what God has created!
