TERRITORY

The Tool Division is lead by Manager **Gary B. Monn** who originally started Berton Sales in 1985. Berton Sales merged with Rouzer Group in 2011 to create our Tool Division and has since more than quadrupled in sales.

All of Rouzer Group's outside tool sales team have tool industry backgrounds. This give them access to the distributors perspective from different areas within our industry.

These relationships have been refined over the decades are just as strong today.
