So, one wanted to see what the Solar System will look like on the Jewish 'Valentines Day' of Tu B'Av for 2024. There are some interesting Planetary Alignments to consider that occur on that Day. For the Month of August, there is a Concentration of these Alignments on Tu B'Av, as follows. See also the Chart for a Visual Depiction.

### **5 MAJOR PLANETARY ALIGNMENTS**

*August 19-20, 2024 / Tu B'Av*

1. *Venus-Mercury-Neptune*
2. *Mercury-Mars-Uranus*
3. *Sun-Mercury-Earth*
4. *Venus-Earth-Saturn*
5. *Sun-Earth-Moon: Full Moon*

In the Astronomical Field of Study, Planetary Alignments occur all the Time. But when they occur at 90 Degree Angles, many Astronomers pay Extra Attention to them. Why? The Theory is that depending on the Tectonic Stress Level and Location on Earth, such Planetary Alignments can trigger Earthquake Fault Lines. This has to do with the Gravitational Pull on the Earth, etc. Consider how the Ocean's Tides are regulated by the Gravitational Pull of the Moon itself. It is the same Principle and Probability, by some Estimation.

What is noteworthy to point-out, is that during this Tu B'Av Feast Day, of August 19-20, there is a particular Planetary Alignment of Mercury-Mars-Uranus. And? In the Past, when it has aligned, it has been Ominous. That is, that the following are the 2 largest Earthquakes ever recorded in Modern Times during such an Alignment. They precisely happened on this Mercury-Mars-Uranus Alignment. So, the Question is, 'Will there be another one of this Magnetite that is to occur again?'

### **MERCURY-MARS-URANUS ALIGNMENTS**

## End of Grape Harvest

Like the Planetary Alignments, Earthquakes also happen all the Time. There was that Japan Earthquake on August 8, 2024 of a 7.1 on the Richter Scale, etc. There is a Theory, that based on the Pacific Ring of Fire Chain of Volcanoes and Earthquake Fault-Lines, there is a 'Ping-Pong' Dynamic about it. Meaning that when a Major Earthquake occurs in the Eastern Pacific Rim, a corresponding one of similar Magnitude or higher will reciprocate on the Western Pacific Rim, etc.

In the USA, in particular just South of the City of Bakersfield and North of Los Angeles, there have been a Flurry of Earthquakes ranging from 2.5 to 5.0 leading-up to the 9th of Av or Tisha B'Av and then to the 15th of Av or Tu B'Av. The Average Daily Earthquakes are roughly about a 2.2 on the Richter Scale. However, many Scientists and Geologists have warned that the San Andreas Fault Line that runs up-and-down the State of California, all the way from the Mexican Border to Oregon, is either relieving Stress or is about to have a significant shift, perhaps.

It is interesting that with all the Conjecture about the Pentecost New Wine, Tu B'Av and the Grape Harvest, that Swarm of California Earthquakes happening on the 'Grapevine'. It is the Mountain Range, which is the end of the Southern San Joaquin Valley. People need to drive-up that Pass to go into the Los Angeles Basin. Here is what is being considered at Cal-Tech about the Swarm of the recent Earthquakes in the Bakersfield Grapevine Area.

*After a recent 4.4 magnitude tremor shook the area near Los Angeles, concerns about a much larger quake loom. Dr. Lucy Jones from Cal-Tech has noted, '2024 has had more Earthquakes than any Year we've seen since 1988'. -Story by Georgia Mckoy*

In a way, all these minor Tremors are 'Good' in that they are nominal and there is hardly any Damage. The Stress is being released from the Tectonic Pressure. It is when there is 'Nothing' and then 'Bam', you have an 8 or 9 Point Earthquake, then that becomes Catastrophic. Now, in the Central Valley, Almonds are harvested with a 'Shaking', 'Earthquake Style' How so? The Trunks of the Trees are shaken and the Nuts fall to the Ground where they are then swept and picked-up, all by Machinery. It is a neat process to watch. Here is a Video that precisely shows the Almond Tree Harvesting.

One has often wondered if the Rapture Event will be like the harvesting of the Almonds. The Disciples and Followers of Jesus are considered as the 'Nuts' of this World, out of Spite and Mockery. But at the Rapture Event, such will be 'Shaken' off the 'Trees' of this World; to be set Free and no longer scored by Self, sin and Satan, etc. But instead of falling 'Down' to the Earth, the Bride will Fall-Up to the Clouds where Jesus will catch her. So, interesting Rapture Correlations going on in the Month of August 2024, no?

## **A 9-Year Anniversary**

Here below is a Study by T.W. Tramm about the Tu B'Av Rapture Typologies. One would agree that the 'Links' between what occurred in the Book of Judges and the Rapture of the Bride of Christ is a Stretch, but an interesting one for sure.

### **TU B'AV PROPHETIC CORRELATIONS**

*T.W. Tramm*

Tramm mentioned that it had and has to do with a 9-Year Span of Time. Well, exactly 9 Years ago was last Blood Moon of the 2014-15 Tetrad. And the 4th Blood Moon happened to occur on the Feast of Tabernacles or Sukkot. And it was a Super-Moon. That same Year, 2015, the Moon was a Blue Moon on Tu B'Av. And? Well, it so happens that since then, the Blue Moon on Tu B'Av is to occur exactly 9 Years later.

Here below is the Link to one's Article, posted in 2015 about the Prophetic Implications one surmised at that Place and Time about the Connection between the Rapture's Timing and the Feast of Tu B'Av. If one wants to see and read what one was thinking and considering back then, during the Obama Years and the Blood Moon Tetrad, it is very interesting to consider its 9-Year Anniversary to the Tu B'Av of this Year. On August 19, 2024, the Full Moon will not only be a Super-Moon but a Blue Moon once again on Tu B-Av. Coincidence? Prophetic?

*Study of the Prophetic Implications of Tu B'Av*

As to some Thoughts about this Feast, Tu B'Av? It is being Romanticized. Likewise, when one 1st read the Account, it was and still is disturbing, to say the least. But it is the Book of Judges when it was a 'Free-For-All' in terms of what Israel was doing. It just shows Mankind's Depravity. Now, what caught one's Attention about the Tramm Study was how he shared his Personal Encounter about that Angel Cloud Pareidolia.

Here below is one's Article about the Feast, written back in 2020. What one is now considering, is that what if the July 23 New Wine was the Beginning of the Wine Harvest? That was when the First Fruits of the New Wine were offered. But what if the Tu B'Av is when the Grape Harvest Ends, as that is what the Biblical Account suggests? And that is the commemoration of the Time-Frame wherein the Rapture Timing could still be in-play? One is just conjecturing.

## **EVIDENCE OF THE GRAPE HARVEST TIMING (Northern Hemisphere)**

### **BEGINNING**

The Central Valley started harvesting Flame Red Grapes and Ivory Green Grapes in Mid-July.

### **ENDING**

Each Year between August and October, we celebrate the newest Crop of Grapes to come off the Vines. It's a Momentous Event for Napa Valley Winemakers and a race to pick the Fruit at its peak, and ultimately create the World-Class Wines that put Napa Valley on a Global Stage.

*Blood Moon Omens*

The purpose of this Book is to provide a Retrospective and Comprehensive study of the Tetrad and Blood Moon Sequences that occurred since 1949 that suggest a Prophetic Reconstitution of Israel, the End of the Church Age, and Start of Daniel's 70th Week.

The various studies provided will look back how the Blood Moon Phenomena sparked a renewed interest in Biblical Prophecy of the Last Days.

1. Venus-Mercury-Neptune
2. Mercury-Mars-Uranus
3. Sun-Mercury-Earth
4. Venus-Earth-Saturn
5. Sun-Earth-Moon: Full Moon

In considering Astronomical Alignments, a 90 Degree in relation to the Angle of Planet Ley-Lines, are deemed Significant.

## MERCURY-MARS-URANUS ALIGNMENTS

Have Coincided with the LARGEST Earthquakes On-Record.

1. 1960 May 22: 9.5 Chile
2. 1964 March 28: 9.2 Alaska

The Theory is that depending on the Tectonic Stress Level and Location, such a Planetary Alignment can trigger Fault Lines.
