

Location: Abu Dhabi, UAE
 Project Value: 25 million
 Services Provided: Landscape Design
 Size: 15 hectares
 Client: Ministry of Foreign Affairs

The Ministry of Foreign Affairs is the most important Government Building in Abu Dhabi...The capital of the UAE. It houses the Foreign Minister as well as housing all of the flags of the foreign Nations that have relations with the UAE. Silk Tree was asked to design an innovative Flag Forest as well as creating water features in both the front and rear courtyards. This work was used to show off the best of UAE design.
