October 2021

Beth Emeth Congregation.

And so, we begin a new year, with positive attitudes. Our High Holiday services were wonderful. Kudos to both Rabbi Lipschultz & Cantor Levy. The winners of my gratitude were the people sitting in our sanctuary. Our Torah Blowers were great, and you gave our Rabbi a run for the money. Keep practicing for 5782

You all helped with your hearts, prayers and donations, to keep Beth Emeth's doors open. Hashem has blessed us. He has looked down upon us and he saw a community of people who care.

It was with such pleasure to see so many of our members who have not been able to attend any of our services. I wish that you remain well, and able to join us more frequently.

We should be so thankful that we had a High Holiday angel. Paula Forster, has made a donation of \$10,000.00, to be doubled if we reach that goal. YOU, have made this happen. Not only did we reach our goal, we surpassed it!! May Paula be blessed for her desire to help. G-D should give her and her family a year of Nachas.

Our members and guests, made this possible. What I have always said, we are a community. You all brought this synagogue together, and for that I am truly thankful. We owe Ketzi Toney our gratitude for handling the entire High Holiday event, and she & Jim Toney funding Break the Fast. I hope that when you read my article, you will say, "I want to help".

We have gained a few new members, and I hope and pray that others will realize that our doors must remain open for all.

We are planning some new events in the next few months. Read our observer for information. We will be having a congregation meeting sometime in October. You will receive notice when the date is set.

Until then, Shalom,
Marilyn Newberg

Such a great variety of offerings: exercise and dance; music and art; workshops and interactive speakers. You can view all of them at: <http://www.jfcsaz.org/events>
This month we're highlighting our Museum programs.

Thursday, October 21 at 11 am, travel with us to Santa Fe, New Mexico, for a special live, virtual tour of the Georgia O'Keeffe Museum. You'll learn the history and impact of this great 20th Century female artist, and delve into colorful and imaginative paintings that represent her renowned contribution to modern art.

Thursday, October 28 at 11 am, join us for the first of our monthly visits to Western Spirit: Scottsdale's Museum of the West, opened in 2015. Docent Wade Weber will introduce us to the magic of the old West through art, artifacts and stories.

And for those looking for an in-person experience, come to the CSE at The Palazzo, 6250 N. 19th Ave. in Phoenix, on Oct. 5. At 11 am, Marshall Shore, Arizona's Hip Historian, will regale us with tales of movies made in Arizona; and at 1:30 pm, we'll have a visit from Gary Sprague, the singing cowboy, AND his horse Dusty!
