UPDATE

Dear Parents,

We received information this afternoon that Louisiana Governor John Bel Edwards has signed a proclamation that closes all K-12 public schools statewide from Monday, March 16th until Monday, April 13th. The Archdiocese schools are also closing. We have made the decision to also close Lake Castle Slidell until April 13th.

As a result of the closure, we will have school the week of April 13th –April 17th (no Easter holidays for that week).

During the time off, our students will be completing assignments. They are to bring all their books home, and assignments will be posted on our school web site beginning next week. The teachers will communicate via telephone and email to students and parents regarding the completion of assignments and answering questions. Teachers will be available for communication between the hours of 8 AM and 3 PM on Monday through Friday of each week we are off. We will be closely monitoring the situation, and information may be obtained from your child's teacher, our school web site, and our Parents' Club Facebook page.

The health and safety of our students and their families is a priority. We want to take appropriate steps necessary to prevent infections. Thank you for your cooperation, and we hope that everyone stays well.

Lake Castle Slidell Administration
