DESCRIPTION: The 56 inch Grizzly models were made from 1968-1970. This particular Grizzly is a very good shooter. Shedua riser. Comfortable grip. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. 2 filled sight screw holes on the face (see pic on last page). No chips, dings or cracks. No stress cracks or crazing. A few minor scratches and nicks here and there. Decals are in very good shape. Overall, this is a really nice bow in excellent condition for its age. This bow was put to a stress test (held at full draw for 16 hours to make sure the old glues still held and no stress cracks developed. Then taken to the range and test shot. Comes with a new Bear style rug rest and side plate, and a new string.
