Candidate: Timothy Orban

I am excited to announce my candidacy for the Woodwind Lakes HOA board in the upcoming election.

My wife and I have been in Woodwind Lakes community for a little over 3 years. We live in section 2 near the “big” lake. We love it here along with our 2 dogs Rosie and Bear. For the last 2 years I have had the pleasure of being a member of the Christmas committee. You may have seen me flipping burgers, and more recently as a Pancake “chef”.

My experience includes being a member of highly successful teams, from my 4-year term in the U.S. Air Force to my 30 years with an International Company on the Service side of the business. My experience as an electronic service team member and business team member have instilled in me the need for members to work together towards a common goal, make informed decisions and ensure financial goals are met.

I am retired and have the necessary time required to fulfill the obligations of board member.

I strongly believe in community involvement, open dialog, transparency to the community as well as finding the best solutions to any issues, now or in the future. I see the need for more involvement and oversight of Crest Management. There is a need to look at existing by-laws to reflect current needs and ideals. I would like to see more community events to foster community pride. I am a strong proponent of financial responsibility as to how our dues are utilized. The board also needs to create more opportunities to listen to the residents’ needs

If elected, I can assure you that I will work diligently with the other board members towards improving our community.
