

**Boerne Professional Artists and Hill Country of the Arts presents**  
Art Along The Cibolo

Boerne TX.

**Saturday September 29, 2018 10am – 7pm**

The purpose of the “Art Along The Cibolo” is to draw people from outlying areas to Boerne to shop in local stores, eat in local restaurants and spend the night. This is the inaugural event, with the goal to have future events attract people from all over Texas, and ultimately nationwide. There have been artists participating in Plein Aire paint outs along the Creek since the Spring on various weekends to promote the event.

**What will it look like:**

Thursday and Friday, there will be a Plein Aire event (part 1) where artists will paint scenes from Boerne. They will bring their “wet paint” landscapes and sell them in one of the tents on Saturday during the Art Along The Cibolo event (part 2).

Saturday is a second part of the event which will be a “tent show” set up along Cibolo Creek and include artists from a 60 mile radius to show their 2 dimensional and 3 dimensional work. Your sponsorship will support the marketing efforts to get people to Boerne for the show

What is the layout?

1. There will be approximately 20 – 30 10x10 tents along Cibolo Creek.
2. Food Vendors will be on the other side of the walkway near Theisson. As there is no electricity by the creek, these will be self contained carts, such as a hot dog cart, Coffee and Tea Cart, popcorn carts and ice cream carts to name a few. Other type of food vendors will need to be energy self contained which will limit the fare and encourage people to eat in local restaurants.

What will we do for the artists?

1. Plein Aire artists will have a tent to show and sell what they painted Thursday and Friday.
2. BPA will obtain discounted Hotel rates for out of town artists.
