Sketchbooks may be purchased at a dollar store.
Tri-Fold Boards for Spring projects will be available for purchase through the school in January.

All Saints Academy

Summer Reading
(2019-2020)

GRADE 6

Grade 6 students are required to read one book over the summer. The required book is:

Holes, by Louis Sachar

Students are required to do assignments over the summer, which are listed below. Upon returning to school, the class will discuss and review the book through various class activities.

Assignments to do over the summer:

- Students are required to keep a notebook as they read, which will be collected on the first day of school. They must define the following vocabulary words.
 - Archeology
 - Artifact
 - Archeologist
- As students read, they must find examples or evidence from the text where there are examples of archology and artifacts mentioned in the story. Students are required to directly quote the pieces of evidence and write down the chapter and page number.
- Upon completing the book, students are required to create a map of Camp Green Lake, which must include the following locations: God's Thumb, the Warden's cabin, the Rec Room cabin, Stanley and Zero's Bunk, and the Dig Site, which is where the boys were required to dig every day. The map needs to be on a small poster board (16 x 20) and have labels on those locations, in addition to a map key. The map key must include a compass rose, symbols used to represent each of the places, your name, grade and the date: Aug. 29th, 2019.

Happy Reading and Map Making!!!
