ARCHITECTURAL SUBMITTAL CHECKLIST**

Below is a list of items that are required to accompany the application prior to review by the Architectural and Landscape Control Committee.

Upon completion of ARC packet, please submit to: admin@performance-cam.com

1. **Application**
 - A) Complete homeowner information (address and telephone number).
 - B) Homeowner signature.
 - C) Approximate start and completion dates.
 - D) Projects being submitted.
2. **Plans Showing the Work to be Done**

Detailed drawings showing the height, length, width, color and what the improvement will look like when it is completed.
3. **Landscape Plans (if applicable)**

These plans show a diagram of your house and where the landscaping improvements will be. Indication of plant and tree types and location are required.
4. **Material Samples (if applicable)**

(Example: type of rock to be used, color chip of paint, pictures of gazebo, pools, patio cover and spa should accompany the plans for the same). **A detailed drawing or picture must be submitted.**
5. **Bond Requirements (if applicable)**

The ARC Committee can require a Designated Bond or Cash Bond. The ARC Committee will determine the designated bond or cash bond amount at the time of reviewing the submittal. If a bond is required it will need to be received by the PERFORMANCE CAM prior to commencing of any installation of or other work pertaining to landscaping or swimming pools or spa or other Improvements on any lot. **The Bond is to be held in the name of the Association not Performance CAM.** The bond can be used to make repairs to any damage to any sidewalks, curb, street, party wall, Common Element, or other areas. If the Bond is insufficient to repair all such damage then the additional cost, and any related cost, shall be assessed against the Homeowner as a Special Assessment.

Failure to follow these requirements and procedures may cause your request to be delayed pending submission of additional information and documentation to the Architectural Committee. An incomplete application may affect the time limits for approval.
