

SERVICE

Once you arrive on the patio you have two options for service.

A server will find you or come to the inside bar to order.

We ID EVERYONE. House rules, No exceptions!

If we are busy you can get lost in the crowd.

Flag down a server, we don't mind give us a shout out!

We hold onto a card to open your tab

DOGS

WATCH your dog at all times, gates, accidents, aggression!

There is **ZERO** tolerance for aggressive dogs.

If there is a concern with a dog tell the server.

Pick up after your pup. Be a responsible owner!

JUKEBOX

Download the AMI music app and play from your phone.

Sometimes it is great, sometimes it sucks. Download the app...

FOOD

All meals are made to order to ensure they're hot and fresh. We will not sacrifice the quality of our food to save a couple minutes. Expect food wait times of 12 minutes when slow to 30'ish minutes when busy. Pizzas take about 15 to 30 minutes and are always made fresh to order.
