

Kingsbury Plantation Building Permit Info

September 1st 2020

Dear, Full time and Seasonal Residence.

Are you thinking of building a new addition, camp or home in Kingsbury?

Effective September 1st we have an Official Planning Board, Board of Appeals and Code Enforcement Officer (CEO) to help guide you through the permitting process. You no longer will contact LUPC / LURC.

Why will you need a Permit? :

- Additions, New Construction, Renovations, Repairs, Excavation, Roads, Driveways, Decks, Steps, Sheds and Garages. Especially near waterbodies. If you are unsure **please** ask to avoid any potential fines.

To obtain a permit, call our CEO Keith Doore 207-343-1669 or visit our website for maps and ordinance. www.kingsburyplantation.com

We have all grown to appreciate what we have for property in Kingsbury. Please help us keep the pond clean and properties safe for many more generations!
