Trash Truck/Solid Waste

Downing Sales & Service, Inc. provided the city with a budget quote on a trash truck. The cost would be approximately \$131,780. The red truck has been having problems and has been down. Solid waste fees and a ½% sales tax was discussed but the aldermen thought that the city should have a town hall meeting to get citizen input.

Set Board Meeting Dates

Mayor and Aldermen Reports

Alderman Hulsey reported that the person at 1403 E. Chestnut was asking about a curb cut in the back of his property so he can pull his trailer in.

Alderman Hodge wants to see the tractor boom mower out on Jackson.

Alderman Loughary sees Terry Cole everywhere. He was at a pool party Friday night and noticed the

speed bumps were not out. The cars come through quickly and he is concerned about children's safety. He thinks the stop sign at Grant and Walnut is facing the wrong way He feels the stop sign at the Walnut Trail where Walnut stops for Grant would be better if Grant stops for Walnut.

Alderman Gremminger thanked everyone and welcomed Terry Cole. He noted that the police department is shorthanded and using reserves.

Alderman Sutton had nothing to report.

Alderman Christopher attended his first Planning and Zoning Meeting and thought they had a good group to meet and to follow the comprehensive plan. Hats off to the PD. Friday on Hawthorne in his neighborhood, a city worker was cutting the edge of the road. He asked if there was safety signage to warn drivers of city employees working on the road. He was concerned about the employee's safety.

Mayor Kater told everyone they did an awesome job.
