

Cape Coral Bass Club

To: All Members Cape Coral Bass Club

From: Mike Oler, President

Date: April 28, 2021

Reference: May Events

Attention all club and prospective members,

As April comes to a close, it leaves behind a well-attended successful 38 boat Lee County Sheriff's/Cape Coral Bass Club open and the club two-day tournament on the Everglades chain with lots of fish, and other stories including mishaps, boat problems, embedded hooks etc. The sheriff's tournament was won by Larry Payne/Paul Towe with 15.85lbs and team Ron Kozan/Kenny Thompson second with 14.77. Jim Lewis won the club tournament with a respectable 28lb plus bag including a bass over 4lbs. both days. I was second with almost 23lbs.

May has three tournaments, Team Trail #2 on May 8th, club regular tournament on May 16th on the river and the Healthy Kidz Big Bass Tournament on May 22nd on Lake Kennedy. Keep tuned in as we hope to release more info on the Healthy Kidz on Facebook.

Our tournament director, Dave Cramer, has sold his house. The new mailing address is 428 SW 53rd Terrace, Cape Coral 33914. The telephone number remains the same, 239-322-7577. Leave a message. If I don't recognize the number I don't answer it. I don't need any more car warranties or credit cards. I will return your call. We still request early payment of tournament fees via mail to not overload signing up at the meeting. You will go onto the list as the check is received and with club tournaments, will draw in that order if at the meeting

Meeting at 7:30 Tuesday, May 4th, start arriving to sign in at 7. Remember you get 5 points for attending and a chance to draw your boat number. See you there.

Mike
