We are excited to announce the upcoming **35th Annual NTAEE Energy Conference**. At this year's conference we will have an outstanding group of industry leading speakers. Our Key Note speaker will be Bill Magness who is the president of ERCOT. We will open the conference with Dub Taylor from SECO. The NTAEE Energy Conference creates a balanced mixture of speaker presentations and vendor booth exhibits to facilitate the transfer of cutting edge energy technology and discussions. The venue this year will be the **Alysheba Ballroom at Lone Star Park**, Grand Prairie. The Alysheba Ballroom is a formal setting located on level two that offers built-in AV, an oversized balcony, and private restrooms.

Join us for a time of networking and entertainment during our after-hours event. We will be watching the races at the Courtyard Veranda/Backyard Grill Buffet from 5 PM till the last race. Includes hamburgers, Jumbo hot dogs, sides, cookies, iced tea, coffee, and a Cash Bar.

Being a sponsor for the 35th Annual NTAEE Energy Conference is a great way to showcase your company to the Energy Engineers of North Texas. All proceeds from this event go to NTAEE's Student Scholarship Program. The 2017 Energy Conference allowed NTAEE to award over \$18,000 in scholarships. Thank you for sponsoring the NTAEE organization.
