WHEREAS, the Board of County Commissioners on June 20, 1977, adopted a resolution declaring that the public health, convenience and necessity require the creation of a special service district; and

WHEREAS, said Commission desires to amend the resolution adopted on June 20, 1977, in order to comply with the Utah Special Service District Act, Utah Code Annotated, Sections 11-23-1 to -29 (1953), as amended:

NOW THEREFORE, be it resolved by the Board of County Commissioners of Grand County, Utah, as follows:

Section 1. An additional WHEREAS clause shall be added to the resolution adopted on June 20, 1977, and shall read as follows:

WHEREAS, because the proposed special service district would include the Spanish Valley Water and Sewer Improvement District created under the provisions of Chapter 6 Title 17

The Clerk then presented a statement stating that

No written protests against the creation of the Grand County Special Service Water District or the proposed improvements therein were received by him in his office by 5:00 p.m. on August 3, 1977. The names of the protestants and the description of their property are as follows:

<u>Property Owner</u>	<u>Description</u>	<u>Address</u>
-----------------------	--------------------	----------------

Total number protesting establishment of Special Service

District or proposed improvements therein: None

After consideration of said protests and those protests both oral and written, considered by the Board at the July 18, 1977 hearing, it was determined that the total number of written protests received and considered by the Board of County Commissioners at both the July 18, 1977 hearing and this meeting represented less than 50% of the qualified voters of the territory proposed to be included in the Grand County Special Service Water District and is an amount insufficient to legally protest the establishment of the Special Service Water District.

The Board then postponed creation of the Special Service District until it received written consent by resolution of the creation of said District from the Board of Trustees of the Spanish Valley Water and Sewer Improvement District. To obtain said consent, the Board authorized the County Clerk to present a certified copy of the Resolution of Intent adopted by the Board of Commissioners on June 20, 1977 as amended by resolution adopted as of the date of these proceedings to the Board of Trustees of the Spanish Valley Water and Sewer Improvement District.

After the conduct of other business not pertinent to the above, the motion was made, seconded, and carried for the meeting to be adjourned.
