\$50.00

Recharge or Repair

Evacuate and recharge air conditioning system. Vacuum test and visual inspection are included. Additional fee(s) may apply for inspection or diagnose of the HVAC system if system is still not operating after re-charge. A very small leak in system may not be detected after re-charge and require a second check.

Computer Code Scan

*FREE

Scan for code(s)
*Plus Diagnose Fee

Includes connection to OBD2 type systems, scanning ECM/PCM/ABS/BCM/SRS for trouble codes. We will log trouble code information and have our service advisor recommend the needed steps or repair required to help remove the fault code from computer. Additional time and fee required to diagnose or repair.
