PUPPY CONTRACT & HEALTH GUARANTEE

Deposit: We require a non-refundable deposit of three hundred dollars (\$300.00). The balance will be due before puppy can leave. This deposit is your guarantee that we will not place the puppy of your choice with someone else. This deposit is also our guarantee that you will be purchasing the puppy specified; therefore, the deposit is non-refundable. Deposits can be transferred to another litter if unforeseen circumstances make the puppy you would like to purchase unavailable. You will be notified when your puppy is ready to come to his/her new home. This is usually 8 weeks of age. If your puppy remains at our home longer than 10 days after notification, there will be a \$25.00 boarding charge added to the cost of your puppy. Arrangements to pick up or receive your puppy MUST be made before or at the time of notification. We realize that circumstances may change, so if you can no longer take the puppy you placed a deposit on, the deposit can be transferred to a future litter. If this is your desire, a \$50 fee will be subtracted from the deposit to cover our expense to relist the puppy. If you do not wish to apply it to a future litter, please understand the money will NOT be refunded.

Payment Information: Personal Checks are accepted (with a waiting period), PayPal or **Cash which is always preferred**. Puppies will remain at our kennel until completely paid for. Shipping is available (strict regulations) for an additional \$350 charge. This includes a Health Certificate, airfare and travel crate that you keep. We require the puppy be paid for before 6 weeks of age if the puppy is to be shipped. We prefer to deliver for the cost of our travel if you cannot pick the puppy up.

Conditions of Sale: All puppies are sold with registration papers and health record. Puppies will be wormed starting at 2 weeks of age and worming will be continued every two weeks until puppy reaches 8 weeks of age. The said puppy will receive it's first two 4-way Puppy shots at 6 weeks and 8 weeks of age. Shots will continue at the 11th and 14th week as long as said puppy is in my care. **Buyer agrees to have said puppy examined by a licensed vet *within 72 hours of time of pickup or delivery, or guarantee is not applicable*.** If said puppy is other than healthy, you should contact the breeder as soon as possible and the puppy could possibly be returned to the breeder immediately, and the purchase price will be refunded or the puppy can be replaced, whichever the buyer prefers. (Breeder has the right to ask for a 2nd opinion by a licensed Vet before refund/replacement). Minor problems such as diarrhea, coccidiosis, wormy stool, intestinal parasites etc. are common problems among puppies and will not be covered by this warranty, although every effort is made to sell puppies free of the problems. The said puppy is guaranteed for one year of age against genetic/congenital defects that could affect the puppy's quality of life. Deadline for a refund is one week from puppy's first birthday and only after examination from buyer's Vet, and a written statement is forwarded to Breeder's Vet, Prescott Valley Pet Clinic, 928-772-6069, from Buyer's Vet for the replacement of another puppy of equal value. Breeder is not responsible for shipping charges, or vet bills once the puppy leaves our care. Breeder does not assume any liability for any injury of said puppy after delivery. Buyer is responsible to maintain the puppy's health condition, vaccinations, and de-worming, and other procedures to insure good health. The Breeder has provided everything possible to produce a healthy sound puppy by raising the puppy the best possible way in regards to diet, exercise, socialization, and health care. The Breeder cannot guarantee a puppy's ears, coat type or height and weight at maturity.

Commitment: If for any reason, at any time, you are no longer able to keep this puppy and you do not have a loving home to give him/her to, by signing this contract you agree to return him/her to me along with the registration papers and a current health record and vaccination record so that I can find a loving home to give him/her to.

Purchaser's Statement: The Buyer guarantees that they are not acting as an agent in the purchase of this puppy, and that it will remain in his/her custody. The Buyer swears that they are not associated with a pet store, or animal broker, or research facility. This contract becomes effective upon the signature of both parties. An executed copy shall be provided to all parties.

I, the undersigned understand and accept the terms and conditions presented and by signing makes this a binding contract.
