## From the Editor

Hello Everyone

Well it has been a little warm in Middle Georgia. I hope everyone is staying cool. I haven't had any Corvairs out due to none having air conditioning. Rain this weekend has helped and hopefully the rain will stay away for our meeting Saturday. We are going back to the 478-Buffer in Byron so we can stay cool. Lane's did not have their room reserved for us and it is too noisy to sit in the general area. Hope to see you Saturday

Clay

## **VAIRY COOL GRAPHICS IS OPEN FOR BUSINESS**

Dean and Judi Gemberling proudly announce that their new online merchandise store is open for business. Like many of you, we were frustrated with the hit-or-miss quality of t-shirts as well as the lack of fresh Corvair designs. After much prayer, time and effort, we started Vairy Cool Graphics. We encourage you to browse the neat Corvair designs that can be imprinted on a nice selection of apparel and merchandise such as coffee mugs, mouse pads, magnets and much more. As we continue to add more designs, if you have an idea for one, then please share your thoughts with us. Click the link or scan the QR code below to get started.

**From the Prez-**In July our meeting at Lane's was LOUD, as we didn't have the meeting room, so we were out in the restaurant with everyone else. Knowing this is where we would be and that we couldn't "reserve" tables ahead of time, Joan and I decided we would get there early and "lay claim" to our tables. This strategy worked and we got the tables we wanted. GOOD NEWS, we had a larger group this time and 2 early convertibles, ours and Joe and Rhonda Gayle's.

The next Corvair show will be Vairs in the Valley in beautiful Maggie Valley NC, Sept. 12 & 13. The show registration form is online at [vairsinthevalley.com](http://vairsinthevalley.com) . We still have a few rooms in our block of rooms that haven't been claimed, so if I haven't talked to you and would like to get one of these rooms, give me a call.

Vairs at the Fair- Oct. 3 & 4 . We have the show registration form on our website ready to print out and mail in. The format will be the same as last year. Friday is a day for "impromptu tech sessions", a chance to visit the nearby Warner Robins Air Museum, or a short trip down the road to the Andersonville National Cemetery and War Museum, which should include a visit to the Mennonite restaurant for some good food. Friday night we will meet down at the Hanger in Perry, for food and fellowship. Saturday morning will be doughnuts and get ready to head down Hwy 41s to the Houston County Annex parking lot to pick up a few more cars and people for our own "parade", just our Corvairs, through Perry down to the Fair grounds, where we will make our lineup to head inside and park. After a day at the Fair, we will get ready to go back to the Hanger for more good food, fellowship and 50/50 drawing. The Quality Inn, Centerville will be the Host Hotel again and everyone I have spoken to, has a room reserved. There are still rooms available, so you can call me, or contact them direct ph# 478-953-6866, be sure to tell them you are with the Corvair Group.

Dues- we have several members on our role that need to catch up their dues. We probably have the cheapest dues of any club, they are the same as they were at the start- \$12.00/year per FAMILY, so please catch them up.
