

ARIZONA FLYWHEELERS
P.O. BOX 2012

November 2025 Edition

President's Letter:

This year's show was a success because of all who volunteered to help and make it great. Thank you Jim Radley and family for the tractor pull. Steve Fiedler and Rudy Valen for help with the silent auction, Steve and Linda Lombardo, Ginny and Steve Rench and many more.

Our Silent Auction reminded me of past shows with a large number of tools, and gift baskets and goodies for sale. After the show your members were involved in the annual Cornville school Fall Festival (Oak Creek Elementary) and it was a lot of fun with the children operating the farm hand tools. At the Cornville school we linked up with an FFA (future farmers) member who had just participated in the National FFA Competition in Indiana and he and his parent were interested in our club being involved with the FFA groups here in the Verde Valley. Then we visited the Cottonwood Library and provided some Farm books and farming kits for the children in the youth section. The kits reminded me of the ant farms in plastic boxes we had as kids, but these show the vegetable growing. And we have been invited to their Science Festival in February to demonstrate some of our farm equipment, hand tools and any farm items we would like to share with young children.

Thank you very much for your continued support of the Arizona Flywheelers. Our next meeting will be on January 7, 2026 at the new 10 a.m. time at the Verde Valley Fairgrounds. We hope to you there.

Jack Castimore

Meeting Time Changes for Az Flywheelers

Our monthly meeting will be at 10:00 AM at the Verde Valley Fairgrounds. No meeting in December, our next meeting is on Wednesday January 7th, 2026

We will be discussing upcoming shows, involving the local FFA student groups and future club activities., such as the science festival in February in Cottonwood. We hope to see you there.

This will be a more accommodating time so hopefully more members can make it to the meeting.

Jack, Steve L., Ginny, and Steve R.
