MYTEE-LITE II

MYTEE-LITE II
PART # 8070

Details: Are you looking for an upholstery-spotting machine that can do the job of a full-size extractor, but is small and light enough to hold in one hand? Meet the Mytee-Lite™ II, our best-selling upholstery machine and the first in the industry to include an on-board heater for maximum cleaning power. At three gallons, it's perfect for both spotting and small detailing jobs.

SPYDER

SPYDER
PART # HP60

Details: Good things come in small packages. Take the HP60 Spyder™ auto detailing extractor, a smaller version of Mytee's® HP100 Grand Prix.™ While the Grand Prix™ features two 11-gallon capacity tanks, the Spyder™ contains two 6-gallon tanks.

FM-1 OZONE GENERATOR

This high output model gets the job done quickly and thoroughly. It will neutralize even the toughest odors in automobiles, limousines, buses, Recreational vehicles, rental cars vans and boats. In just a few hours the ozone will permanently kills odors right at the source. Odors such as; cigarettes and other tobacco products, smoke damage, chemicals and cleaning fumes, decayed matter, pets, urine, vomit, mold, and mildew.

SPECS:

- **Coverage:** Up to 3500 sq. ft.
- **Ozone Output:** 2000 mgph
- **Electrical:** 120 Volt AC, 40 Watts, 2 Amp Fused
- **Size:** 8" x 10" x 5" High, Weight 8 Lbs.

What is OZONE?

Ozone is a colorless gas with distinct pungent odor. It is molecule made up of 3 atoms of Oxygen. This combination is made in nature in places such as the beach, in the forest, or near waterfalls. Since Ozone is the second most powerful sterilant in existence, it can easily destroy bacteria, viruses, mold, mildew and odors.

Is This easy to use?

Yes. For best results place the generator on the car dashboard and run an extension cord through the window. Turn on the heating of the vehicle which will allow the duct work to be cleaned in the process. **STAY OUT OF THE VEHICLE** while the treatment is going.
