Occupation _____

The Puerto Rican Union of Mutual Aid was organized in May 1937 and incorporated July 7, 1937. Our motto is to "Advance With Progress". The Association was founded by a group of Puerto Ricans from Hawaii who wanted to create a benevolent organization to further their people. The purpose for the Association is to help other Puerto Ricans. We bring the Puerto Rican community together keeping the culture alive through our Jibaro music and Puerto Rican Food. We hold regular dances and raise funds for educational scholarships.
