Students who fail to maintain satisfactory attendance will be counseled. Attendance will be deemed unsatisfactory if more than 60 hours are missed. If attendance fails to improve, the Director may dismiss a student for unsatisfactory attendance. Re-admittance may be permitted if the cause for unsatisfactory attendance has been corrected.

Students must attend or satisfactorily complete all instructional hours. When unable to attend, the hours that are missed must be made up and approved by Student Services for satisfactory completion. Lost attendance hours must be made up as described below.

Students may make up lost attendance hours by:

- a) Per approval: Students attending the missed class(es) must pay a make-up fee at a rate of \$10.00/hour.

- d) If a student misses hands on bodywork practice, they may make up hours by doing clinic massage. There will be no charge for students to do clinic massage on the public for make-up hours. Students can bring friends and family to work on but they need to pay for the clinic massage. The clinic is subject to availability.

STUDENT TUITION RECOVERY FUND (STRF) DISCLOSURE

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834; (916)574-8900 or (888)370-7589.

To be eligible for STRF, you must be a California resident or are enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans.

To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or event that made the student eligible for recovery from STRF.

A student whose loan is revived by a loan holder or debt collector after a period of non-collection may, at any time, file a written application for recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more than four (4) years since the action or event that made the student eligible, the student must have filed a written application for recovery within the original four (4) year period, unless the period has been extended by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification number.

STUDENT'S RIGHT TO CANCEL

You have the right to cancel your agreement for a program of instruction, without any penalty or obligations through attendance at the first class session or the seventh day (Per BPPE 4/15/2010) after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time and you have the right to receive a pro-rated refund if you have completed sixty (60) percent or less of the scheduled hours in the current payment period in your program through the last day of attendance, less a registration or cancellation fee not to exceed \$200.00. Textbooks and materials are non-refundable.

The equipment must be returned in good condition (good condition does not include equipment that a seal is broken, log-on occurred, or is marked or damaged in any way).

Students who have dropped from the program without written notice, have 90 days to submit a written request for withdrawal and refund for the pro-rated amount of the program if they have completed 60 percent of the program or less. This letter needs to be signed and dated by the student and submitted to a school official, who will also sign and date upon the receipt of the letter.

YOU MUST CANCEL IN WRITING: The written notice of cancellation, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. You do not have the right to cancel by calling the school or by solely verbally communicating your request.

WITHDRAWAL FROM THE PROGRAM

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro-rated refund if you have completed 60 percent or less of the period of attendance. The amount of that refund is to be “pro-rated” according to the incomplete portion of the program less the cost of any equipment returned in good condition (good condition does not include equipment that a seal is broken, log-on occurred, or is marked or damaged in any way) and less a registration or cancellation fee not to exceed \$200.00. Textbooks and materials are non-refundable. The refund is to be paid within 45 days of withdrawal.

For the purpose of determining a refund under this section, a student shall be deemed to have withdrawn from a program of instruction when any of the following occurs:

The student notifies the institution of the student’s withdrawal or, as of the date of the student’s withdrawal, whichever is later.

The institution terminates the student’s enrollment for failure to maintain satisfactory

progress; failure to abide by the rules and regulations of the institution; absence in excess of maximum set forth by the institution; failure to meet financial obligations to the school, the student has failed to attend class for 8 days, or failure to return from a leave of absence. For the purpose of determining the amount of the refund, the date of the student's withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid, the student shall be deemed to have withdrawn at the end of 8 days.

REFUND POLICY

If the Enrollment Agreement is cancelled, the school will refund the student any money he/she paid, less a registration or cancellation fee not to exceed \$200 (less any deduction for equipment not returned or not returned in good condition) within 45 days after the notice of cancellation is received. There is no refund on textbooks or materials. Students who have dropped from the program without written notice, have 90 days to submit a written request for withdrawal and refund for the pro-rated amount of the program if they have completed 60 percent of the program or less.
