* Grand Total of Drinks 2,540*
Applause!!!
 - B.) Concessions- Kate Lyster
Going very well, just need to get the word out better as 2 open slots went unmanned. Brainstormed some ideas to tell the parents about concession opportunities to prompt them to discuss with the teacher/club. Will add something to the newsletter, mention it in passing and at PPP event.
 - C.) Copy Cats- Jill Glennie
We need to modify the program to narrow down the dates for planning purposes. Will work on this and update the volunteer spot, volunteers, and teachers via email.
- V. New Business:
 - A.) **Peter Piper Night- Teresa Alvarado**
Teresa will put sign on the door for the teachers to sign up to come. Teachers will all receive (or anyone with a badge) a free personal pizza and drink. Will be passing out the flyers to the teachers and the stickers to the kids on Tuesday (working on exact plan still). There will be a contest for what class represents the most.
Items we need to bring:

- **Bucket for raffle tickets for class contest**
- **Raffle tickets**
- **PTSO Info on Fry's, Amazon, programs**
- **Display for Box Tops**

B.) Bear Bucks Store- Amanda Glenn

Amanda had a sick kiddo so Kate filled in. All is ready for the Wed cart, need to send the note to the teachers (Jill will do) and put up a volunteer spot for the day of (Stephanie will create)

C.) Vote on mini grant table tennis (It's \$300 for 2 tables)

The tennis table club will be running concessions twice to pay for a portion of this. All voted YES

d) Box Tops

We discussed that Box Tops needs a promo push as people have just forgotten about this awesome program (numbers are lower than previous years). A display in the front office, on our bulletin board, in the cafeteria. Discuss with Dolly as there are people who want to help with Box Tops maybe she could coordinate with them?

e) Vote on mini grant for Eagle Supplies for Vetern's Day Celebration

This vote happened via text message as we didn't have the paper during the meeting. Vote was yes.
