When the desk is transformed into LEGO the table and table stitching will become an imaginative fun ,Taste the game.

WARM REMINDER

Screw Maintenance

Over time, screws may loosen with regular use. Failure to tighten them promptly may result in product damage or user injury. Please inspect and tighten periodically.

Metal Parts Care

For daily maintenance, use a soft cloth for cleaning. If necessary, use a suitable cleaner and ensure the surface is dry after cleaning.

Disassembly & Modification

Unauthorized disassembly or modification may cause product damage or personal injury. Only qualified personnel should perform any adjustments.

Handling & Movement

When arranging or moving the product, ensure proper safety measures are followed.
* Avoid moving a single unit improperly
* Moving multiple units together may increase the risk of tipping
