

Here are some of the ways your Club/MD/District can communicate with your Club/MD/District members.

- **Texting**- the action or practice of sending text messages on a Smart Phone. A majority of Lions have this technology. This is a good way to quickly check on your members.
- **Twitter** - make a posting on the social media application Twitter. It is a way to share events your Lions are doing
- **Facebook** - Facebook is a popular free social networking website that allows registered users to create profiles, upload photos and video, send messages and keep in touch with friends, family and colleagues. The site, which is available in 37 different languages.
- **Snapchat** - Snapchat is a mobile app and service for sharing photos, videos, and messages with other people. Once you view a message received via Snapchat, it is automatically deleted. This makes the service ideal for sharing quick updates with friends without accumulating media or messages on your mobile device.
- **Email** - short for "electronic mail," is one of the most widely used features of the Internet, along with the web. It allows you to send and receive messages to and from anyone with an *email* address, anywhere in the world.
- **E-clubhouse website** – a Free Website for Your Club Designed with fill-in-the blank fields for even the least internet savvy, the *e-Clubhouse* allows you to: Build and maintain a website for your club using a simple set of tools. ... Promote your club's activities and recruit new members.
- **Landline (Old fashioned Telephone)**
- **MailChimp** – Mailchimp is an American marketing automation platform and an email marketing service.
- **Post Cards, Greeting Cards, Letters of Encouragement, reminders.**

Communicate.... Communicate... Communicate some More!

Different Video Conferencing Ideas

Be

sure to include those without devices – Look at “Call-In” options for those members.

ZOOM

Zoom Video Communications is an American remote conferencing services company headquartered in San Jose, California. It provides a remote conferencing service that combines video conferencing, online meetings, chat, and mobile collaboration

Please click on the following URL to see how to join a Zoom meeting for free:

Facebook Messenger

Facebook Messenger is an American messaging app and platform developed by Facebook, Inc. Originally developed as Facebook Chat in 2008, the company revamped its messaging service in 2010. Users can send messages and exchange photos, videos, stickers, audio, and files, as well as react to other users' messages and interact with bots. The service also supports voice and video calling. The standalone apps support using multiple accounts, conversations with optional end-to-end encryption, and playing games.

Don't do this alone...Empower your Region and Zone Chairs!

What NOT to do while on Video Chat

Video Etiquette:

1. Don't take an important video call on your mobile device, especially if you are walking or driving.
2. Don't get distracted i.e.: TV should be off, Don't Doodle, Dogs Barking, Kids Screaming, Eating,
3. Be sure to tell everyone in your household that you will be on a video, so no one walks behind you in a compromising way.
4. Don't sit in the dark. Be sure you have good lighting on and not too bright. Close shades behind you. Check to make sure your light is not shinning towards your camera.
5. Don't place the camera too close or at an odd angle. Make sure we can see you. Don't be a Wilson.
6. Pre-test your audio and visual before you begin. Double check your internet for the best connection.
7. Do not text or play on your phone (Unless you are using it for Video Chat purpose). Make sure your phone is on mute.
8. Do not use any funny or obscene jesters.
9. Turn video off if you plan to step away.
10. Whatever you do....DO NOT take your conference call into the bathroom with you without turning your video AND microphone off!

Audio only
