Chapter 41 - Classic Thunderbird Club International

The Thunder Heard

President Patrick LeStrange

AUGUST 2013

This is a very abbreviated news letter, 4 pages

President's Message

Our Thunder Heard editors are attending the Conventions in California and Iowa, so I have put on my old editor's hat. I no longer have Birthdays or Anniversaries in my files, so Paul will

have to catch up when he returns. I think the next real issue will be October.

We all wish them and anyone joining them at other stages a safe and enjoyable trip. See you

in September, (hummm....that would be a good name for a song)

To those of us who have stayed behind, we have the Schooley Mountain rain or shine picnic on Aug. 11. Be sure to let Bill Downing know if you are going. After that we are cruising to the

Chatterbox on the 17th, we will meet Ole Lafayette Village around 3:30. If you are planning to

eat at the Chatterbox we must arrive early. I need a count by Aug. 10th so I can let the Wanderers know how many spaces to save.

The tickets are ready for the dance. Believe it or not they are starting to go fast. The flier is available on the web site, under events calendar as well as on the Face book page. You can also E Mail me and I will send you a PDF copy.

Our July meeting was hosted by Joe and Arlene Kubat. This was a trial location at the Delizia

Pizza kitchen in Boonton. It was another very well attended meeting, We welcomed new members Joe and Jan Seville of West Milford – 1957 T-bird. and guests James and Dianne Gamsby of Boonton. Arlene will share her experiences using Delizia at the next meeting. As always we are looking for other locations too.

The new club shirts, coats, and sweats were handed out at the July meeting. The remainder of the coats will be available in mid August. Everyone seems very happy with them.

We are still waiting details for the September meeting. Hopefully we will announce it at the Picnic, if not please check the web site events calendar.

Club elections are coming up at the annual meeting in October.

We must have all candidates names known by September so we can adhere to Article VII, Section 2 of the by-laws.

Election and Term of Office. *The term of office for corporation officers will be two years, with the President and Advisory Council Representative elected in even years, and the Vice President and Treasurer elected in odd years. The officers of the corporation shall be elected by a majority vote of the members present at a regular annual meeting called in accordance with Article IV, Section One. Each officer shall hold office until his successors have been elected and qualified. Members will be notified of all candidates for office at least 30 days prior to the annual meeting. A member shall not hold more than one (1) elected office. The spouse of a member may serve in any officer position. An officer must be a member, or the spouse of a member, of Classic Thunderbird Club International.*

Good news for the CTCI election. Rich Martin has submitted his resume for the position of Director at Large. Please be sure to give him your support. I feel he will be a great addition to the CTCI board. As announced at the meeting I am running for Region 1 Director again

Here are a few pictures forwarded to me by Donna Jessie from Rich, Walter, Paul and Bill

Hi All

Bill wanted me to forward the following for the abridged newsletter.

Also, Rich wanted to thank his wonderful wife (I'm adding this) for telling him to take his white suit with him.

Today has been a good day so far... one out of three isn't too bad.

Regards,
Donna
