

GRAND COUNTY WATER CONSERVANCY DISTRICT
GRAND COUNTY SPECIAL SERVICE DISTRICT

Regular Meeting -----October 15, 1985

The meeting was called to order by the Vice- ATTENDANCE
Chairman, Gary Wilson, at 7:00 A.M. Other Grand County
Water Conservancy District members present were Gary Wilson,
Georgia Hamblin and James Walker.

Grand County Special Service District members
present were Gary Wilson, George White, and Dan Holyoak.

Others present were Dale Pierson, Barbra Ossola
and Roberta Highland.

Roberta read the minutes of the meeting of October MINUTES
1, 1985. George White moved the minutes be approved as
read. Dan Holyoak seconded. MOTION CARRIED.

Dale reported that Bill Hance had bought BORING MACHINE
Parmenter's boring machine the day of the last meeting, but
had said the District could make arrangements for using it.

Dale reported the Master Meter was again broken, MASTER METER
because the box had filled with water, and asked should we
continue to put money into this meter. Gary pointed out a
mechanical meter would be even more expensive and would not
measure the low flows. George stated it was important to
get this flow metered, so we could know about seepage, etc.
Gary suggested we test the transducers and go from there.
It was agreed by consensus that the manhole should be sealed
and when the transducers are put back, be sure to seal it
well, and try to get the meter going.

Dale reported W. R. White had found a piece of SEALING
sealing material at a price of \$39.00, to fill the hole in MATERIAL
the lake, and as soon as it dries out, it will be filled in.

The agreement as to Commissioner Water Fees was WATER COM-
discussed, and Gary suggested we should wait until he talks MISSIONER
with D. L. before the fee is paid and the agreement signed.
The Water Commissioner's duties were briefly discussed.

George asked about the cemetery well, and Dale CEMETERY DIST.
stated he talked with Sheldon, and Gary suggested we meet WELL
with the Cemetery District Board as soon as possible.

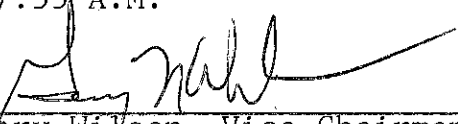

Gary asked what is a fair price for Moab Irriga- MOAB IRR.STOCK
tion Water shares, as the Board had authorized the staff to
buy shares of Moab Irrigation Water.

The meeting adjourned at 7:55 A.M.
