PESTICIDE NOTIFICATION

As part of Troy Babes in Toyland's pest management program, pesticides are occasionally applied (either after hours or on the weekends). You have the right to be informed prior to any pesticide application made to the interior/exterior of the building. Rose Exterminator comes out the third Thursday of each month. In the rare occurrence that anything is treated, there will be a notice posted by Monday morning on the front door of the center as well as in our newsletter. In certain emergencies, pesticides may be applied without prior notice, you will be provided with a notice, following any such application, by the posted note hanging on the door as well as on our website.

SUNSCREEN & WATER SPRINKLER PLAY

I provide consent for Troy Babes in Toyland to apply sunscreen on my child when he/she is exposed to the sun during enrollment at Troy Babes in Toyland. I understand that the only sunscreen that will be used on my child is the one that I provide. I also provide consent for my child to participate in sprinkler play at Troy Babes in Toyland. I understand that I must provide bathing suit and towel.
