

September, 2016 Topical Index for the Still Small Voice Messages

Armor of God

~The Armor of God – September 13, 2016

synopsis:

- The Armor of God is an important gift – we can ask for. Important to put it on before we pray. It will help us immensely in our battle against the enemy, making our prayers more effective. The teaching is in Scripture, Eph. 6 Jesus then taught on each piece.
- Helmet of Salvation – when you wear it, you know that you do not belong to the world, you are now a citizen of Heaven. Going into battle as one already Victorious, because you are reborn and redeemed by a power much higher than Satan and minions. Most important knowledge – you belong to ME, and I have already won all the battles against darkness – no matter how we see it.
- Breastplate of Righteousness – protects the inner place: heart, where I live. Conscience, Heart. Soul. This is why it is SO important to examine conscience, confess sin and repent before going into battle. Done properly, knowing you are right with Me, nothing can stop you. Also protects your relationship with Me – no one can steal you from My heart because of unrepentant, and then continued sin.
- Belt of Truth – carries the Sword of Truth. Without Truth, you cannot win the ultimate Battle.
- Sword of the Spirit – literally, My Words written through the apostles and prophets. Truth is always weighed and examined through the Scriptures, but your heart must be right with Me and guided by My Spirit or you will concoct your own truth, apart from Me. It will look and sound good to man, but be full of error.
- The Shield of Faith carries the emblem of the finished work of the Cross, where all your graces come forth. It is what you defend yourself with. Your faith in your citizenship and who your Sovereign is, that you are commissioned and in good standing, that all your actions proceed from truth and charity. That your feet carry the message of peace, forgiveness and good will for all men. All must be defended by faith that each item is real and true - so true, you are willing to die for it, just as I did.
- The knowledge of your salvation is protected by the Helmet, your heart is right with Me - the Breastplate, you are sworn to truth above all opinions - belt and scabbard - and your path is one of peace and brotherly love Sandals. If your feet are not properly shod, you will do more harm than good with the sword. The order in which you put these things on has significance.
- The sword is the last thing you take up for defeating the wiles of the enemy and every false notion that raises itself up to steal your Heavenly citizenship.
- Paul was the most vivid example of living in the Spirit during intense, life-long spiritual warfare. He was more prepared for spiritual battle than a Roman Centurion for physical combat. He left these instructions behind for us. Live by them!

Binding Prayers

~Binding Prayer Instructions – September 2, 2016

synopsis:

- New instructions for new prayer. We highly recommend praying or singing in tongues in between each portion of the prayer. If you have not yet been **Baptized in the Spirit/speaking in tongues** it is important to seek this gift immediately. It's important to give Holy Spirit your voice, because He knows exactly what to pray.
- It's important that **Holy Spirit** do the talking – because if we pray only with our own thoughts/mouths/English/etc. we may miss things. The devils are getting craftier – using more and more detailed names that a blanket statement will not cover. Holy Spirit knows **JUST** who is there and what needs to be done.
- This is why **Satan** lies so much about **speaking in tongues** – he's very afraid of it! It's tremendously powerful.
- We need to be fully equipped before the Lord "sends us out" as He did the disciples. He is equipping and training us now to be sent out.

~Binding Prayer Instructions – September 2, 2016

synopsis:

- Preparation: ask about open doors, and get rid of them with Holy Spirit. Forgiveness of enemies. Calling on the Angels for their help
- Deliverance: of all demons, by Jesus' authority, with the help of the Angels.
- Protection: from the Angels and the Blood of Jesus
- Healing from Our Sins and Attacks: Holy Spirit's healing. Giving to God all we suffer for the Lost.
- The Glory: over us and angels
- Favor: over us and angels and works. Jesus, I Trust in You.

Breakthroughs with the Lord

~How We Miss Our Breakthroughs – September 21, 2016

synopsis:

- Ezekiel under attack again! Why? they wondered. Pride came up and while Ezekiel "got it" – Clare couldn't see her part.
- During a communion service, the Lord was very clear, very present to her.
- Jesus: *"You honor Me with your lips, but where is your heart? You put other things before Me, Clare. Every morning I wait for you, yet there is always something more important that comes first. This, I want to stop. You said it yourself: watch what a person does with their time and you will see where their heart is."*
- Clare: vision of the King's ship coming and the bride was out shopping.
- Jesus: I want to be FIRST in your life. BEFORE EVERYTHING. If you put Me first, all the other things I have given you to do for the Kingdom will fall into place, as well as the house/home duties and to your family.
- Clare: thank you for the flutes – she has 3 different ones now.
- Clare: using a missal for communion is very helpful. Communion is to be a DAILY MUST.
- Conclusion of teaching: If we want our hearts in the right place, our works for Him to show fruit – we MUST go to spend time with Him FIRST – before ANY other thing we have to do or are responsible for. We must MAKE the time, no matter how hard that is. It WILL be worth it!

Children

We are to be as a Child

~Bring Me Your Lowliness – September 11, 2016

- First, your hearts must be cleansed from the world and all its allures and ways. This takes many years of maturing. **Your safest posture is as a child** crossing a busy street: “Daddy, help me!” Do you know how this pleases Me? (full synopsis under **Lowliness**)

Clare Songs

~Sneak Previews, portrait of Jesus and Song – September 18, 2016

synopsis:

- Clare song:

I love you,
Oh, how sincerely I love you.
Oh, how securely I hold you to My heart.
Hoping only for your trust in Me,
Trust in Me, in Me.

I need you,
Although I'm God I still need you.
For Who I Am when you praise Me,
From your heart.
For the ones who've turned away from Me.
Oh, comfort Me, comfort Me.

I love you,
Lean on the One in love with you.
I hear you searching and calling out to Me.
I'm here, right here, oh can't you see?
It's truly Me. Look at Me.

I'm waiting for you,
When you ignore Me you wound Me.
When you forget all that I have promised you,
That together we shall do.
And you question if My words are true.
I promised you, promised you.

Could it be Clare's responsibility? Turned out it was...the Lord was getting her attention. Prayer and repentance later – she still approached Holy Spirit: how shall I do this, keep things sanitary? Discovered some storage bins she already had...(full synopsis under **Demons/Spiritual Warfare**)

Communion

~How We Miss Our Breakthroughs – September 21, 2016

- During a **communion** service, the Lord was very clear, very present to her.
- Clare: using a missal for communion is very helpful. Communion is to be a DAILY MUST. (full synopsis under **Breakthroughs**)

~Supernatural Power – The Communion Service – September 19, 2016

synopsis:

- Jesus: If only you knew the power of the service worthily celebrated and the gift you've been given in it. Watch chains burst asunder, Clare. Watch Me turn tragedy into good, watch Me move through this service. **Copious, copious graces flow out from a communion well said.** You just don't know the power you hold in your very hands.
- The enemy does know – and mocks and denigrates it.
- Call from intercessor in need of prayer. Clare prayed, but then held a communion service for that person's benefit – and 10 minutes later, a text from them that the blanket of sorrow and sadness, caused by demons, left one by one.
- Jesus: There is no force on Earth that can trump communion said with earnest faith and deep remembrance of My Passion. What I have given you, Clare, is far more powerful than even the words that come from your mouth. The intension of your heart, covered with the blood of sorrows from My death and resurrection, contains all that is necessary to defeat evil.
- Go now and elevate this practice to the place of greatest dignity and power. Surely, I will bless all who celebrate it worthily and harken to their petitions.

~The Power of Communion Well Received– September 23, 2016

synopsis:

- This teaching is for **NON-liturgical people**, who have nowhere/ability to take **communion** with a church. There will come a time when Antichrist reigns when all churches will be censored, and you will have to partake according to the Lord's wishes without the help of a church.

- It is the Lord's heart that you draw near to Him in **communion daily**. If you cannot do it through a church, He has made it acceptable to do so before Him privately. He desires that you do it reverently, fully expecting to receive ALL of Him through communion, not just a small part. What you expect from it will be what you are able to receive. The more holy and set apart you are, the more richness will be drawn from this time together with Him.
- He approves of the **order of service that apostle James** formulated for the early church. There is good order and progression in this service. Jesus is not asking it to all be done religiously, but to capture the progression James laid out in order to be well prepared to receive Him and all He has for us in communion.
- Another mention of **Simon's cross** and partaking of the work of the Cross. Not one pain will fall to the ground without taking root and producing fruit. Many will be facing trials – cleave to Me and have nothing to fear.
- "Nonetheless, **the service carries great blessings**, and it is My desire that you get the very most out of it. As I have shared with you before, confession of sin, and I don't mean a quickie pass-over but a good look and true contrition for offending Me, as a daily practice. Reading from the Old Testament, New Testament, the Psalms, and the Gospels, prepares your hearts for action and gives you the continuity between the old and new covenants. Well rounded, and much to consider."
- "And I do approve of **relinquishing control to My Spirit in choosing the readings**, although you will see that I also find ways to highlight things if you follow the chronology of readings. Do as you are led by My Spirit.
- "But please, come to Me with contrition, expecting that I will forgive and nourish you on this bread of life. I give you all that I am My Bride. **Receive Me with great reverence**, expecting miracles of grace to be given you."

Demons:

Demon Attacks

~My Sin & God's Mercy, Spiritual Warfare 9 – September 7, 2016

- Jesus: later in prayer, He questioned her. Why can't I trust you to have control? Tender but firm, He pointed out that this was an "**open door**" training time, and not only for her, but for the Channel. Many are doing the same thing – not asking, waiting and trusting. The result is severe buffeting from the demons. (full synopsis under **Demons/Spiritual Warfare**)

Demons: How They Work

~They Will All Be Taught By God– September 22, 2016

- "Keep watch over yourselves and all the flock of which the Holy Spirit has made you overseers. Be shepherds of the church of God, which he bought with his own blood. I know that after I leave, **savage wolves will come in among you and will not spare the flock**. Even from your own number men will arise and distort the truth in order to draw away disciples after them. So be on your guard! Remember that for three years I never stopped warning each of you night and day. Acts 20:28-31" (full synopsis under **Jesus/Teaches Us**)

Demons/Spiritual Warfare/Protection From

~Binding Prayer Teaching, Spiritual Warfare 11 – September 27, 2016

synopsis:

- Clare and Ezekiel have been learning more about spiritual warfare, and are including new things in the binding prayer to address them.

- There have been four attempts on Ezekiel's life now, but the Lord's sovereignly intervened and now these experiences have taught us new methods.
- Additions: prayer for workers of iniquity. Clare addresses the Satanists again, putting out a plea for them to turn from Satan and to the Lord. To take a long look at who they are really serving, and how he "rewards" his followers. Getting rid of demon excrement. Putting on the Armor of God. Energy Vampires addressed. Realignment of our body, soul and spirit. Thanksgiving and honor to the Lord.
- Kneel: to show reverence and honor due the Lord, we kneel before Him at times. Other times, stand.
- Key/new parts are in bold/italic to make them stand out.
- Jesus: I want this prayer said twice, even three times daily, demons come in shifts. Once is not enough. Not all will experience the same results – it depends on your own holy conduct and commitment to Me. Also, I must allow a certain amount of suffering. Do not grow weary, ask Me to rejuvenate you.
- Jesus: My heart listens for the unselfish prayers of My children. Pray for your enemies, they desperately need your prayers. How I wish they would listen to the NDE stories that would show them where they TRULY are headed if they do not repent and turn to the Lord.

~How One Demonic Strategy Can Ruin Your Whole Life/Sp. War. 8 – Sept. 1, 2016

synopsis:

- Clare: the Lord is leading us out of the **enemy's traps**. Musing in worship about having the gifts of another person – no, Lord – only the **gifts YOU** want for me. Jesus: the "coveted" gifts often demand much suffering, too – many wouldn't dare ask if they knew what it would cost them.
- My Children are constantly ripping and tearing at each other – this must stop! Demons take an "appearance" of something bad – turn it to truth in your thoughts. And you go on in judgment and a critical spirit because of it, judging another who is very possibly innocent. EVERYONE becomes suspect – and so you look at everyone through that filter. **Now you judge, a door forms and swings open** – and in flood the demons. Two may be actually guilty – but in your mind, you condemn 18 more. Now you are conditioned to blame anyone who seems like the two guilty ones and it colors all of your thinking.
- The point is getting you to sin. The demons don't care who is or is not guilty.
- Cure: keep **eyes on ME**, know that I am protecting you. As you focus more and more on ME, you become more and more LIKE Me. You will learn that it doesn't matter WHO your enemy is – all that matters is that YOU LOVE THEM. Fear has no place here – it drives this kind of judgment. While you're watching Me, I am navigating you around the reefs of judgment - and they can't open that door.
- **Fear drives this**. Real or imagined, because of this pre-determined "sin" you have judged them over, MANY will fall under this determination – and open MANY doors.
- During the **Tribulation**, things will be different – you will NEED to be very discerning, looking always for confirmation that someone is "real". But I speak for now here.
- Even if you suspect a person to be an enemy – KINDNESS will still be effective.
- **You MUST reject Judgment!** It literally hurts the other person – they may physically become sick as a result. This is SERIOUS! People are not ignorant that you are thinking these things, either – you may be pushing them far away from Me. Pray a guard over your lips, mind, heart. Negative thoughts about anyone NEVER come from Me.

- Much talk is **gossip** and negative – be careful not to be pulled into it. But do not judge, either. Jesus alone knows the whys of a person’s behavior. You need to be quiet and **virtuous**, always blessing in Love – from your HEART.

~I Need More Prayers! Sanctify Your Sorrows– September 26, 2016

- There has been a great deal of **spiritual warfare** going on lately – and a lot of intercession. Clare asked the Lord, “What is going ON? (full synopsis under **Prayer**)

~My Sin & God’s Mercy, Spiritual Warfare 9 – September 7, 2016

synopsis:

- **Clare story:** when they raised sheep, there was always a “fence walker” – a sheep that always wanted out of the pen, no matter how good the grass and water provided for them was. The end of them? Eaten by a mountain lion!
- Clare story: She is in the process of cleaning the kitchen storage spaces. Wanted to revise from paper bags, little cardboard boxes – things you couldn’t see in but mice could get into – to plastic drawer system from Walmart. She FELT a check in her spirit – but ignored it. As Valerie was shopping...Ezekiel’s intestinal “warning” vestige flared up. Could it be Clare’s responsibility? Turned out it was...the Lord was getting her attention. Prayer and repentance later – she still approached Holy Spirit: how shall I do this, keep things sanitary? Discovered some storage bins she already had...
- Jesus: later in prayer, He questioned her. Why can’t I trust you to have control? Tender but firm, He pointed out that this was an “**open door**” training time, and not only for her, but for the Channel. Many are doing the same thing – not asking, waiting and trusting. The result is severe buffeting from the demons.
- **Satan is stalking like a crouching lion** – just waiting for you to wander “out of the sheep fold”. Will send a spirit of LUST to entice you away from the Lord, do things under your own will instead of His.
- This isn’t about God being harsh. It’s about staying alive and out of the reach of the enemy! Process of learning – in the end, these things we lust for will keep us from receiving the **gifts and blessings** He is desiring to give us.

Discernment (see: Rhema/Discernment)

~How to Receive My Anointing for Your Life Everyday – September 17, 2016

- When you sit and write/type a letter to Him, He listens – this is entering the foyer of My throne room. EXPECT Him to reply, even asking in faith, “Lord, what do You have to say about this?” Write what you feel He is saying. If the words are angry or retaliatory, that’s you or a demon. But peace and resolution are most likely Him. When you are done recording, go back and read. **Use the discernment tools** taught here. He is always tender, meek and mild – unless seriously exhorting about sin. But even then, never haughty or degrading, but adamant and firm. (full synopsis under **Jesus: Hearing/Seeing Him**)

Dreams (of Things to Do for the Lord)

~God’s Will for You Involves Your Heart Dreams – September 6, 2016

synopsis:

- Jesus: Patience is needed now. He is bringing us into unfamiliar territory. This has been a time of cleansing, a time of exhausting work. Now it’s time to put hands to the plow with

- our new gifts. Some are aware of what they are – some not. Follow your heart. If you fill your lives with busy work, they will never fulfill.
- Gifts: how will you recognize them? From Him – feel a deep, quiet desire.
 - Soul is in the area of the umbilical cord. It is from there that the tunnel that all believers exit through, the door leading out of the body. Intimately connected to the heart, where Jesus lives. That’s why we get “gut” feelings, it’s interaction with the conscience, which is also in that general area. Brain cells in the stomach also help determine choices.
 - Stay in the Vine – Jesus. You will find His still small voice directing us. A “sparkle” in your soul.
 - Rhema definition: A twinkle, spark, illumination of the moment – of something important for you, My will for you.
 - Touch the world lightly when you must interact with it – then get back out quickly. Dealing with the world desensitizes you for prayer. Prayer is best in the morning, when you are freshest.
 - Hidden dreams I am bringing forth now for fulfillment. Do not let busy-ness of the world make you move on past them. Often, these dreams were important to you many years ago, and been put off. NOW you are ready to embark on that journey. That’s what this time period is all about for you.
 - Clare: the Goal Driven Life is NOT the God Driven Life. Be aware of your gifts and work for Him. But in the process, do not neglect the legitimate needs of the souls the Lord sends your way, either. That includes your spouse.
 - Patience is the vehicle that will take you to your dreams as long as we are here. We may not accomplish all we desire before we leave, but will find joy in every step of the journey. Surely, it will be finished in Heaven if not on Earth.

Enemies Against Us

~The Will of My Enemies – September 29, 2016

- Jesus: **I will NEVER, EVER give you over to the will of your enemies.** Period. However, there are consequences to disobedience – that is why I am training you all IN obedience. You will avoid a lot of heart aches if you learn this lesson. (full synopsis under **God/the Father – His Will For Us**)

~The Precipice of Presumption – September 30, 2016

- Though your heart is set on Heaven, **the enemy can derail your course** by cleverly manipulating you. He knows your faults and weaknesses so much better than you do. He knows where you stand and where you most surely will fall. He is extremely patient as he sets one trap at a time that, unknown to you, will result in a mortal fall over a cliff. We are steering you away from the dangers of that precipice, where many have gone before. (full synopsis under **God/the Father – His Will For Us**)

Ezekiel Healing

~Ezekiel Snatched from the Jaws of Death – September 28, 2016

synopsis:

- For the fourth time, Ezekiel had an attack on his life. They had just finished prayer: curses broken from someone through retaliation. Ezekiel had been fore-warned that **he would be called soon for intercession.** He wasn’t feeling well. Numbness started moving up his body, all the way to his elbows. They were convinced he was dying. Called on the Lord, received

permission to call an ambulance. Intercessors praying with/for them, email for the prayer chain sent. This was a major attack.

- Everyone started praying. Holy Spirit revealed that an aneurism in his spinal cord had blown. The ambulance had already been called, but the Lord healed him before they showed up. Just to check, they found ALL his body systems back to normal again.
- Jesus: the reason for this attack was to test **Obedience**. Clare asked, if we had not had intercessors, what would we have done?? Jesus: Call on Me. Just cry out “Jesus, save me!” if that’s all you can do – and He will be faithful to answer.
- A spirit of death had been in the room, trying to take Ezekiel. But the Lord commanded it, *“Get your hands off My son. Give Me back My son. You cannot have him, he’s Mine.”* At that point, everything began to return to normal.
- Jesus: perilous times are coming on the Earth, and **Obedience** will become MOST important. We MUST be willing to obey God, rather than man.
- Jesus: remember: bless those who curse you – this is so important. Do it immediately after you recover from an attack. This is when your prayer is most powerful.
- I was not going to let Ezekiel die – I have work for him to do. Obedience was the main lesson. You may HAVE no other recourse at times, and in that time, ask in faith for a miracle. This is NO time to be at ease. Yes, I have given you pleasant things to do, but be on guard at all times for attack. Remember the account of Nehemiah building the wall – the men had a tool in one hand and a weapon in the other, always on the alert.
- I desire that you pray for these **blinded ones serving Satan**. But be aware that when you do, you come under attack. It is no coincidence that you are being taught spiritual warfare to the extent you are – you need these weapons. But you also need to reform your lives and hearts to receive My full protection. If you are a Light-bearer, Satan will try to snuff you out. Your hidden light must be as holy as what people see on the outside.
- You do not have to commit to this war – I will still take you to Heaven. But with heavy casualties. Better that you take up your armor, cast sin away and be prepared for the enemy.

~Interview with Ezekiel, 2 parts – September 16-17, 2016

synopsis:

- Ezekiel and Clare speak of his experiences with the Lord since his major healing. Bring out the points that doors MUST not be opened, that you need to protect a healing against laying spirits and sin that will allow it to return.
- The Lord showed him (through this new trial) that Judgment was still an issue – even though EZ had been dealing with it for several weeks now. He needed to go deeper and deeper, even than where he was aware of it.
- Clare: it’s no longer just what you try to suppress with your mouth – It’s what’s going on in your heart, what you allow to enter your mind.
- Again, EZ thought he was about to die, called Clare in to try to explain to her. She’d have none of it! Declared that the Lord had made them promises, and she was going to STAND on them! Sat beside him, praying Mercy, Lord...and the Lord relented and healed him again. In the end, it wasn’t about physical death and dying – it was about dying to sin.

Faith

~Faith Without Works is Dead – September 3, 2016

- Birth pains are continuing in the world – closer together, coming to a climax. The Internet will now flourish with spiritual vigor and life! Take advantage of it! Many attempts will be made to throw everything into chaos, but will not succeed. **Do NOT WATCH THE NEWS.** It will only confuse and frighten you, and take your eyes off ME. Even Christian channels cannot get the “real” truth many times. It all brings FEAR. Fearful people are easy to control. Rest in Me. You will never be able to care for yourself, cover yourself with preparation. I can. I will always bring you to safety if you are relying on Me.
- Listen to My voice ALONE. No matter where you hear it. Then no matter what happens, you will have My peace. **This is all a struggle against your faith,** to get you to turn to your own devices. Don’t fall for it! Soon enough the “powers” will offer you free things – and it will be your downfall – it will be a trap. (full synopsis under **Works for the Lord**)
- Your **faith is holding the world together.** I would not have commissioned you to use your gifts and talents if the doors were about to close. (full synopsis under **Works for the Lord**)

~I Am Serving the Fine Wine Last – September 8, 2016

- Jesus: don’t look at the obstacles, **act on faith,** believing that the commission you have/will receive from Him will flourish and produce copious fruit for the Kingdom. I have anointed you to bring glad tidings to the poor and suffering. Rely on the anointing, not your own devices. Pray for each other – lift up the struggling and lift them with praise reports. Those behind the scenes are as important as those in front – in this way, all will partake of the rewards. **In the economy of Heaven, fruits are everlasting.** (full synopsis under **Gifts/Talents from the Lord**)

~Spiritual Attacks, Prayers for Our Enemies – September 20, 2016

- Clare: **struggles with faith,** because new issues in their lives seem to pop up on the very heels of resolving the old ones. “a duck in a shooting gallery” Conversation with the Lord moved into discussion about Satan worshippers and their attacks against Clare, EZ and the channel. Jesus is arranging trials to divert their attention away from us... (full synopsis under **Satan/His Works Against Man**)

~The Will of My Enemies – September 29, 2016

- I don't know how you feel about this message, Heartdwellers. But I know that I've had a very close brush with death. It's something that I'm really, really pondering and examining my heart to see where I'm at. And **I'm having to make a leap in faith** with the Lord, that whatever He allows in our lives, I'll be willing to give up. (full synopsis under **God/the Father – His Will For Us**)

Fear

~How One Demonic Strategy Can Ruin Your Whole Life/Sp. War. 8 – Sept. 1, 2016

~Bring Me Your Lowliness – September 11, 2016

- The snow-capped peaks are beautiful, but it is the well-watered valleys below that **produce the fruit.** The more worthless you are in your own eyes, the more precious the gift of

yourself is to Me. All will see that what you accomplish is NOT you – but will clearly see Me.
(full synopsis under **Lowliness**)

~How We Miss Our Breakthroughs – September 21, 2016

- Conclusion of teaching: If we want our hearts in the right place, our **works for Him to show fruit** – we MUST go to spend time with Him FIRST – before ANY other thing we have to do or are responsible for. We must MAKE the time, no matter how hard that is. It WILL be worth it! (full synopsis under **Breakthroughs**)

~I Am Serving the Fine Wine Last – September 8, 2016

- Jesus: don't look at the obstacles, **act on faith**, believing that the commission you have/will receive from Him will flourish and produce copious fruit for the Kingdom. (full synopsis under **Gifts/Talents from the Lord**)

~I Am Serving the Fine Wine Last – September 8, 2016

synopsis:

- The Lord is asking us to **examine our faith in the SSV Channel** – make an informed commitment, or if you don't see/hear Him here, search for another channel until you do. You need to be convinced that Clare is indeed a vessel He is speaking through – or move on. Staying here with doubt will only make you double-minded.
- He has a treasure chest of the riches of Heaven ready for us – we are to expect amazing results from the efforts with **our talents** we are about to undertake with Him. He will bless beyond our expectations!
- Why? Because we hung in during the rough season, moving strictly on faith. This is no ordinary time in life. This is a time of vitality and productivity! He will bless everything we put our hands to for Him. We have suffered, grown, matured...now purer and ready to **use talents for the Kingdom**.
- **Clare's story:** the Mennonite real-estate agent – kind and caring man, surprised her.

- Jesus: don't look at the obstacles, **act on faith**, believing that the commission you have/will receive from Him will flourish and produce copious fruit for the Kingdom. I have anointed you to bring glad tidings to the poor and suffering. Rely on the anointing, not your own devices. Pray for each other – lift up the struggling and lift them with praise reports. Those behind the scenes are as important as those in front – in this way, all will partake of the rewards. In the economy of Heaven, fruits are everlasting.

~My Sin & God's Mercy, Spiritual Warfare 9 – September 7, 2016

- This isn't about God being harsh. It's about staying alive and out of the reach of the enemy! Process of learning – in the end, these things we lust for will keep us from receiving the **gifts and blessings** He is desiring to give us. (full synopsis under **Demons/Spiritual Warfare**)

~The Journey of Holiness – September 9, 2016

- In the very beginning, I **impart dormant gifts to a soul** they have no idea what is hidden in them. It is My part to bring them into their gifts – strengthening moral and ethical frames, their love for Me and others first, tempering them with both fire and ice. But in the end, you will shine like a brilliant diamond! A likeness of Me. (full synopsis under **Holiness**)

Glory

~The Will of My Enemies – September 29, 2016

- So, now My Precious Heartdwellers, we have come to the place where the rubber meets the road. This is it. God/the Father

His Faithfulness to Us

~The Precipice of Presumption – September 30, 2016

- I reasoned my way through the purchases, instead of seeking His direction – this is the epitome of presumption on my part. It's not about cost, perception of need, practicality or my assuming it was "just a little thing, we need it". It has always been about me presuming that I knew better than the Lord.
- He has called C & E to a lifestyle of even below poverty at times. This is not a punishment, but to show to those we minister to that **GOD IS FAITHFUL** to provide for ALL our needs, all the time. And if He does not give us the green light to purchase, we need to trust that we DON'T need it. (full synopsis under **God/the Father – His Will For Us**)

His Will for Us/Knowing His Will

~The Precipice of Presumption – September 30, 2016

synopsis:

- Clare: After days of prayer, repentance, seeking the Lord and consideration, I have found that Pride – my Black Panther – has been at the root of Ezekiel's attacks. I have now recognized that whenever Ezekiel would get life-threatening sick, it was tied to something I bought, that was not God's will.
- I reasoned my way through the purchases, instead of seeking His direction – this is the epitome of presumption on my part. It's not about cost, perception of need, practicality or

- my assuming it was “just a little thing, we need it”. It has always been about me presuming that I knew better than the Lord.
- He has called C & E to a lifestyle of even below poverty at times. This is not a punishment, but to show to those we minister to that GOD IS FAITHFUL to provide for ALL our needs, all the time. And if He does not give us the green light to purchase, we need to trust that we DON'T need it.
 - A soul is given chance after chance after chance to follow the Lord, to better follow the Lord and to fully follow the Lord. It is up to the soul to decide how far they will go with Him. A dangerous path, if you are not growing deeper always – you never know when the “little things” that Satan tempts you with, drags you down with, will be the last thing that tips your feet over the edge of the precipice of falling and you will not get back up again. He is patient, subtle, and slow. Waiting to draw you away at times you never suspect, and will not discern if you are not seeking the Lord in all things.
 - Presumption whispers back, “Oh it’s ok, you’re a good person. You don’t need to make a change in your life, it’s going along just fine. Besides, if you change your mind, He’ll be there later.” Oh, dear souls, that is presumption of the worst kind! You may not live to see the next invitation; you may not live through this year or the next if you don’t make the change.
 - You see, there are consequences for presumption. It’s not a punishment, although it feels that way. It’s a directive...a strong steering fence leading you away from disaster and the precipice which leads even to damnation.
 - Though your heart is set on Heaven, the enemy can derail your course by cleverly manipulating you. He knows your faults and weaknesses so much better than you do. He knows where you stand and where you most surely will fall. He is extremely patient as he sets one trap at a time tat, unknown to you, will result in a mortal fall over a cliff. We are steering you away from the dangers of that precipice, where many have gone before.
 - Clare vision: two ledges with a deep chasm between them. Sheep at the bottom who tried to make the leap between, and never made it. Shepherds are there, too.
 - Francis of Assisi quote about Sister Death.
 - Practice submission in every little thing and you will strengthen this virtue, so that in a moment of great weakness, when the devil is pushing, pushing, pushing you - you will turn away from him and whatever he is suggesting. That is the point of Pride We are trying to work out of you.

~The Will of My Enemies – September 29, 2016

synopsis:

- Clare pondered a conundrum: **how do I know the will of God completely?** And (considering a word from someone else that seemed to suggest this) if I don’t know His express will, and then don’t follow it either, being disobedient in fact but not in understanding – will He then just toss me over to my enemies?? To kill me?
- This was especially disconcerting because she had spent up to this point much time in prayer and repentance, and LONGS to be rid of **Pride**.
- It was like telling a man, "I know you’re doing your best, but it isn’t good enough, you’re fired." There’s just no place to go with something like that but right into despair.
- It’s unlikely that any of us can fit the bill of being perfectly **obedient**. It’s impossible if we cannot discern what we are to obey!

- Jesus: **I will NEVER, EVER give you over to the will of your enemies.** Period. However, there are consequences to disobedience – that is why I am training you all IN obedience. You will avoid a lot of heart aches if you learn this lesson.
- Some of you **I have called up higher**, very much higher and there is a price. If the longing of your soul is such and you have made that inner commitment not to back out or give up, totally trusting Me that I will equip you for every situation. If you are of this heart and mindset, I must tell you, there is a price. It is painful to the flesh, but delightful to the spirit."
- You have trusted Me, loved Me, followed Me all these years – and have I not been faithful all these years? Then why should the future be different? **Obedience is the important lesson.** We are trying to get solid in your life. But there is no reason to panic about the future.
- **Suffering is all a part of love** – nothing important happens without sacrifice and difficulty. It is a very, very small amount of people that ever leave their “mark” on humanity – the rest are but a shadow in history.
- You will never suffer anything like what **I suffered on the Cross** – never to that full extent. But according to your love and devotion to Me, sacrifices will be required of you. Most of the time it is a loss of something dear to them. *So, if you are of the conviction that only I am dear to you, only pleasing Me is dear to you, you will suffer far less than having many things in your life, people included, that are dear to you.*
- There is no way to avoid suffering. But this is why I promised to wipe away every tear.
- So, now My Precious Heartdwellers, we have come to the place where the rubber meets the road. This is it. This is the very crux of your lives. If you want to take My hand and step into unimaginable glory, you must also be ready to be stripped of everything dear to you.
- I am not asking you to strip your lives, **I am asking you to be ready to suffer anything for the love of Me.** Not anything of your choosing, but what I choose for you. If you were to make your own choices, they would be the wrong ones. Wait for Me. Wait for Me to show you what is no longer necessary in your lives. Do not second guess Me. Rather, wait on Me and I will reveal it to you.
- I don't know how you feel about this message, Heartdwellers. But I know that I've had a very close brush with death. It's something that I'm really, really pondering and examining my heart to see where I'm at. And **I'm having to make a leap in faith** with the Lord, that whatever He allows in our lives, I'll be willing to give up.

- It's important that **Holy Spirit** do the talking – because if we pray only with our own thoughts/mouths/English/etc. we may miss things. The devils are getting craftier – using more and more detailed names that a blanket statement will not cover. Holy Spirit knows **JUST** who is there and what needs to be done. All of Heaven and Creation reside in your heart as another dimension, because He lives there. By His love, all of Heaven and Creation are held together. You may enter Heaven through your heart, coming into the Throne room where He resides. His will that we drink from the source of living waters, everyday, without exception.
- If you are confused still about how He speaks, **it is a still, small voice**. You need to tune in to it. Scriptures is a start – reading between the lines for answer directly FOR you. When He anoints it for you, something will catch your attention, point you to it. That's from Him directly.
- When you sit and write/type a letter to Him, He listens – this is entering the foyer of My throne room. EXPECT Him to reply, even asking in faith, "Lord, what do You have to say about this?" Write what you feel He is saying. If the words are angry or retaliatory, that's you or a demon. But peace and resolution are most likely Him.
- When you are done recording, go back and read. **Use the discernment tools** taught here. He is always tender, meek and mild – unless seriously exhorting about sin. But even then, never haughty or degrading, but adamant and firm.

Teaches Us

~They Will All Be Taught By God– September 22, 2016

synopsis:

- Jesus: Let's talk about **obedience**. What good does it do My Bride to hear, but not obey? This channel is like a great classroom, each day a fresh lesson. So come, be taught, do your assignments so you can pass your tests with an A and graduate with honors.
- You will NEVER to required to do anything against your conscience or faith to be obedient. Sometimes, you cannot obey what normally should be: smuggling Bibles in through customs checks, turning against your faith in Me to obey the wishes of a spouse. These are NOT to be obeyed, but rather the Lord.
- Back to the point, I only ask you to do or not do because it results in **good fruit** in your life.
- Clare: **Heartdwellers**, I am only doing my small part, bringing to you what the Lord tells me. If He does not speak to me about the things that are swarming the Internet and other prophets, I can only assume those things/information is not for us here. I must stick to HIS agenda, not my own.
- Jesus: **test the spirits** (of news warnings even by other Christians and other prophets) See what the fruit is. Wasted time, fear, contrary to your current path in Me? not good fruit, re-evaluate. Love, peace, contentment, advancement in Me – good fruit. Carry on. I have a purpose for each life, and it please Me greatly when you follow that course.
- "Keep watch over yourselves and all the flock of which the Holy Spirit has made you overseers. Be shepherds of the church of God, which he bought with his own blood. I know that after I leave, **savage wolves will come in among you and will not spare the flock**. Even from your own number men will arise and distort the truth in order to draw away disciples after them. So be on your guard! Remember that for three years I never stopped warning each of you night and day. Acts 20:28-31"

Judgment

Our Judgment of Others

~How One Demonic Strategy Can Ruin Your Whole Life/Sp. War. 8 – Sept. 1, 2016

- My Children are constantly ripping and tearing at each other – this must stop! Demons take an “appearance” of something bad – turn it to truth in your thoughts. And you go on in judgment and a critical spirit because of it, judging another who is very possibly innocent. EVERYONE becomes suspect – and so you look at everyone through that filter. **Now you judge, a door forms and swings open** – and in flood the demons. Two may be actually guilty – but in your mind, you condemn 18 more. Now you are conditioned to blame anyone who seems like the two guilty ones and it colors all of your thinking.
- **You MUST reject Judgment!** It literally hurts the other person – they may physically become sick as a result. This is SERIOUS! People are not ignorant that you are thinking these things, either – you may be pushing them far away from Me. Pray a guard over your lips, mind, heart. Negative thoughts about anyone NEVER come from Me. (full synopsis under **Demons/Spiritual Warfare**)

synopsis:

- Message from Lana Vawser. The heaviness and pressure of current situations in our lives are soon going to be broken – catapulting us into a deeper place of peace – safe and secure in His presence. The hunger to have more of Him has kept us moving forward, even when the ‘giants’ have raised their ugly heads to intimidate us.
- Abandonment to Him will bring us to great promotion, to an even greater level of intimacy with Him. Bringing great Joy!
- The doorway to this new level puts us “in over your head” – relinquishing ALL and ANY control completely over to Him. New levels of surrender. There is a HUGE door of the “new” before you – but entering it requires complete “yes” of Trust. You are going to be in over your head at the goodness and kindness of Jesus!
- The 'letting go' will build such a deep strength in you of who Jesus is, that when you move into your promised land and the giants rise up and scream, you will not be moved, you won't be intimidated, confused or shrink back in fear, but move forward with conviction and resolve and overcome them by the power of His Spirit with greater ease than ever before

Lowliness/Littleness

~Bring Me Your Lowliness – September 11, 2016

synopsis:

- Clare: the grace of being able to **see and talk to Him** is another side of His divinity, the reason He came to Earth. Some think it's blasphemous – but it's not about US being worthy – it's about His love, which longs to fellowship with His Creation!
- Jesus: the whole idea – be a walking “Me”, yet still a little “you”. I need your affection, worship, company. **Poor as you are, it is a comfort to Me.** You may be only a tiny drop in the ocean, but you are MY drop. All that matters is that you want to be Mine as much as I want to be yours.
- Jesus: I have taken great pains for 2 years now to impress on you all that **I delight in “little” souls.** Little in their own eyes. I lived that example on the Earth, choosing to die a “little” death and all that followed. I could have burst from the tomb in Glory right before their eyes, but I chose to keep it all humble, right to the end.
- I look for those who know they are nothing (without Me) and I shall crown them with My Glory. Stop trying to qualify. Stop waiting to be “better” or fit for the King. Rend your hearts

open with great poverty, and My Glory will burst through, healing you and raising you to the stature of **My soon-to-be Bride**.

- First, your hearts must be cleansed from the world and all its allures and ways. This takes many years of maturing. **Your safest posture is as a child** crossing a busy street: “Daddy, help me!” Do you know how this pleases Me?
- The snow-capped peaks are beautiful, but it is the well-watered valleys below that **produce the fruit**. The more worthless you are in your own eyes, the more precious the gift of yourself is to Me. All will see that what you accomplish is NOT you – but will clearly see Me.

Obedience

~Ezekiel Snatched from the Jaws of Death – September 28, 2016

- Jesus: the reason for this attack was to test **Obedience**. Clare asked, if we had not had intercessors, what would we have done?? Jesus: Call on Me. Just cry out “Jesus, save me!” if that’s all you can do – and He will be faithful to answer.
- Jesus: perilous times are coming on the Earth, and **Obedience** will become MOST important. We MUST be willing to obey God, rather than man. (full synopsis under **Ezekiel Healing**)

~The Will of My Enemies – September 29, 2016

- It’s unlikely that any of us can fit the bill of being perfectly **obedient**. It’s impossible if we cannot discern what we are to obey!
- You have trusted Me, loved Me, followed Me all these years – and have I not been faithful all these years? Then why should the future be different? **Obedience is the important lesson**. We are trying to get solid in your life. But there is no reason to panic about the future. (full synopsis under **God/the Father – His Will For Us**)

Patience

~God’s Will for You Involves Your Heart Dreams – September 6, 2016

- Jesus: **Patience** is needed now. He is bringing us into unfamiliar territory. This has been a time of cleansing, a time of exhausting work. Now it’s time to put hands to the plow with our new gifts. Some are aware of what they are – some not. Follow your heart. If you fill your lives with busy work, they will never fulfill.
- **Patience** is the vehicle that will take you to your dreams as long as we are here. We may not accomplish all we desire before we leave, but will find joy in every step of the journey. Surely, it will be finished in Heaven if not on Earth. (full synopsis under **Dreams (of Things to Do for the Lord)**)

Prayer

Intercession/Intercessors

~I Need More Prayers! Sanctify Your Sorrows– September 26, 2016

synopsis:

- There has been a great deal of **spiritual warfare** going on lately – and a lot of intercession. Clare asked the Lord, “What is going ON?”
- Jesus: Nothing. He is holding His hand over plans and wickedness prepared, and not allowing any of it to go forward.
- Clare: still **having trials** in putting Jesus first before any other portion of her day. She and Ezekiel getting “Go, sell all you have, then follow Me.” rhemas – and they didn’t know what it was about. They are now stable and in a solid ministry! Realized, the Lord was again pointing out that the world was butting in to where HIS place was: first.
- Jesus assures her that He will NEVER let her go.
- Much **repentance** is going on for the world right now. He is building into His children true **humility**, for those who will have it. An new crop of ministers are being raised up, and a vessel untried cannot carry the anointing – humility and trial must prepare them first. Heart-felt, searing repentance draws Him to a soul like iron to a magnet. Nothing causes a Christian to stand stronger than repentance. Why? Keep it in the forefront of your mind: a critical spirit, judging another, being impatient with each other is sin. Pride. Pride must be conquered.
- Jesus: men are making plans for war. I am making plans for peace. He is standing in the gap between those who wish to destroy the world, armed with our prayers, sufferings and sacrifices. I NEED MORE!! **Don’t forget: the offer of 3 years** agreement is based on COMMITMENT to pray, sacrifice and repent. I NEED MORE.
- **Do not resist the trials**, rather embrace them as a means to have **sufferings to offer Him for the sake of souls**. This will make it go better for you. Do not complain and question. You have offered, I will receive them gladly. Complaining produces a root of bitterness, opening more and more doors each day. No – cast off the complaining, keep the doors from opening and I will lift off the ugly attitude from you and offer the sufferings to the Father for conversion.
- Clare: encouragement for those ill – this is a powerful suffering for Him.
- End with mention of song: Who May Dwell.

~The Precipice of Presumption – September 30, 2016

- Clare: After days of prayer, repentance, seeking the Lord and consideration, I have found that **Pride** – my Black Panther – has been at the root of Ezekiel’s attacks. I have now recognized that whenever Ezekiel would get life-threatening sick, it was tied to something I bought, that was not God’s will. (full synopsis under **God/the Father – His Will For Us**)

~The Will of My Enemies – September 29, 2016

- This was especially disconcerting because she had spent up to this point much time in prayer and repentance, and LONGS to be rid of **Pride**.
- It was like telling a man, "I know you're doing your best, but it isn't good enough, you're fired." There's just no place to go with something like that but right into despair. (full synopsis under **God/the Father – His Will For Us**)

Rapture:

Delayed

~I Need More Prayers! Sanctify Your Sorrows– September 26, 2016

Repentance

~I Need More Prayers! Sanctify Your Sorrows– September 26, 2016

- Much **repentance** is going on for the world right now. He is building into His children true **humility**, for those who will have it. An new crop of ministers are being raised up, and a vessel untried cannot carry the anointing – humility and trial must prepare them first. Heart-felt, searing repentance draws Him to a soul like iron to a magnet. Nothing causes a Christian to stand stronger than repentance. Why? Today may be your last, and repentance daily makes sure you are prepared for anything. (full synopsis under **Prayer**)

Rumors of Disaster

~Whisperings and Forebodings of Disaster– September 21, 2016

synopsis:

- Jesus: Whisperings, rumors, **Internet news** and disaster stories...You have been told NOT to be perusing them. Over ½ will never happen, the ½ you will not be here for. They are using even Christian broadcasters to spread the fear-mongering – which results in a rush to "cover yourselves". And then nothing happens.

- You need to get your priorities straight. Those who are watching the news are missing the point: they are busy about trying to protect themselves. Unless the Lord watches over the city, the watchmen stand in guard in vain. (Ps. 127)
- **There are still many on the Channel who are busy with this**, even though I have repeatedly warned them. If not for My Mercy, I would say to them: “If you want to be busy about your own protection, I won’t interfere.”
- Jesus: I abhor this practice!! I hate, hate, hate it, the false reports. I love, love, love those who are ignoring it all. **I AM your one and only protection against anything!**
- Thousands of false alarms have been sounded but NONE have happened.
- Yes – we are in the end times. Yes – things are on the way. But you will not be here for them. And if something does come your way before then, I Myself will protect you.
- Stop this behavior. **Get busy with your work**, tending to the needs of others and the Kingdom. Souls are lost and dying while you are paying attention to the news. Stop it now!

Satan

Against him

~The Journey of Holiness – September 9, 2016

- **Clare**: new attack like they’d never experienced before. Learning that even so, the Trinity plus one, “puny” believer is still stronger than **Satan** and all his minions. Now matter how hard, God will still not allow us to be tested beyond our strength. (full synopsis under **Holiness**)

His Character/Our Enemy

~My Sin & God’s Mercy, Spiritual Warfare 9 – September 7, 2016

His Works Against Man

~Binding Prayer Instructions – September 2, 2016

- This is why **Satan** lies so much about **speaking in tongues** – he’s very afraid of it! It’s tremendously powerful. (full synopsis under **Binding Prayers**)

~Spiritual Attacks, Prayers for Our Enemies – September 20, 2016

synopsis:

- **Clare**: **struggles with faith**, because new issues in their lives seem to pop up on the very heels of resolving the old ones. “a duck in a shooting gallery” Conversation with the Lord moved into discussion about Satan worshippers and their attacks against Clare, EZ and the channel. Jesus is arranging trials to divert their attention away from us...

- Jesus: These **Satanists**/souls are dark inside, needing Him but have rejected Him. Now prefer anger, bitterness and all things dark. Distorted, twisted souls that don't know enough about Him to want Him.
- It comes from repeated woundings that drive their original pain so deep they forget what it was. Now they believe that the hate and pain they cause others is good, their only "high".
- You can't reason with them, it's no longer a function of thinking. It goes much deeper – and has turned into pure retaliation against all humankind. Satan has taken over the soul, and they live only to satisfy his cravings for inflicting pain and death.
- Change of subject to healing. **FAITH is essential to keep a healing** – do NOT let the doubts and demons rob you of it. *For the rest of the souls who are struggling with faith, it is a battle and can make you weary. But you just have to confess, 'This particular problem in my body has been set to heal and I will see it accomplished.'* Then you mustn't give into unbelief or doubting.
- Yet, there ARE still **other sufferings** that He allows for the sake of the lost.

~The Precipice of Presumption – September 30, 2016

- A soul is given chance after chance after chance to follow the Lord, to better follow the Lord and to fully follow the Lord. It is up to the soul to decide how far they will go with Him. A dangerous path, if you are not growing deeper always – **you never know when the "little things" that Satan tempts you with**, drags you down with, will be the last thing that tips your feet over the edge of the precipice of falling and you will not get back up again. He is patient, subtle, and slow. Waiting to draw you away at times you never suspect, and will not discern if you are not seeking the Lord in all things. (full synopsis under **God/the Father – His Will For Us**)

Satanists

~Binding Prayer Teaching, Spiritual Warfare 11 – September 27, 2016

- Additions: prayer for workers of iniquity. Clare addresses the **Satanists** again, putting out a plea for them to turn from Satan and to the Lord. To take a long look at who they are really serving, and how he "rewards" his followers. Getting rid of demon excrement. Putting on the Armor of God. Energy Vampires addressed. Realignment of our body, soul and spirit. Thanksgiving and honor to the Lord.
- Jesus: My heart listens for the unselfish prayers of My children. Pray for your enemies, they desperately need your prayers. How I wish they would listen to the NDE stories that would show them where they TRULY are headed if they do not repent and turn to the Lord. (full synopsis under **Spiritual Warfare**)

~Ezekiel Snatched from the Jaws of Death – September 28, 2016

- I desire that you pray for these **blinded ones serving Satan**. But be aware that when you do, you come under attack. It is no coincidence that you are being taught spiritual warfare to the extent you are – you need these weapons. But you also need to reform your lives and hearts to receive My full protection. If you are a Light-bearer, Satan will try to snuff you out. Your hidden light must be as holy as what people see on the outside. (full synopsis under **Ezekiel Healing**)

~Spiritual Attacks, Prayers for Our Enemies – September 20, 2016

- Jesus: These **Satanists**/souls are dark inside, needing Him but have rejected Him. Now prefer anger, bitterness and all things dark. Distorted, twisted souls that don't know enough about Him to want Him. (full synopsis under **Satan/His Works Against Man**)

Souls

Our Souls

~**God's Will for You Involves Your Heart Dreams – September 6, 2016**

- **Soul is in the area of the umbilical cord.** It is from their that the tunnel that all believers exit through, the door leading out of the body. Intimately connected to the heart, where Jesus lives. That's why we get "gut" feelings, it's interaction with the conscience, which is also in that general area. Brain cells in the stomach also help determine choices. (full synopsis under **Dreams (of Things to Do for the Lord)**)

Still Small Voice Youtube channel & Website

To The Heartdwellers

~**I Am Serving the Fine Wine Last – September 8, 2016**

- The Lord is asking us to **examine our faith in the SSV Channel** – make an informed commitment, or if you don't see/hear Him here, search for another channel until you do. You need to be convinced that Clare is indeed a vessel He is speaking through – or move on. Staying here with doubt will only make you double-minded. (full synopsis under **Gifts/Talents from the Lord**)

~**They Will All Be Taught By God– September 22, 2016**

- Clare: **Heartdwellers**, I am only doing my small part, bringing to you what the Lord tells me. Suffering/Trials

For the Sake of Souls/Simon's Cross

~**I Need More Prayers! Sanctify Your Sorrows– September 26, 2016**

- Clare: still **having trials** in putting Jesus first before any other portion of her day. She and Ezekiel getting "Go, sell all you have, then follow Me." rhemas – and they didn't know what it was about. They are now stable and in a solid ministry! Realized, the Lord was again pointing out that the world was butting in to where HIS place was: first.
- Jesus assures her that He will NEVER let her go.
- **Do not resist the trials**, rather embrace them as a means to have **sufferings to offer Him for the sake of souls**. This will make it go better for you. Do not complain and question. You have offered, I will receive them gladly. Complaining produces a root of bitterness, opening more and more doors each day. No – cast off the complaining, keep the doors from opening

and I will lift off the ugly attitude from you and offer the sufferings to the Father for conversion. (full synopsis under **Prayer**)

~**Spiritual Attacks, Prayers for Our Enemies – September 20, 2016**

- Yet, there ARE still **other sufferings** that He allows for the sake of the lost. (full synopsis under **Satan/His Works Against Man**)

~**The Will of My Enemies – September 29, 2016**

- **Suffering is all a part of love** – nothing important happens without sacrifice and difficulty. It is a very, very small amount of people that ever leave their “mark” on humanity – the rest are but a shadow in history.
- You will never suffer anything like what **I suffered on the Cross** – never to that full extent. But according to your love and devotion to Me, sacrifices will be required of you. Most of the time it is a loss of something dear to them. *So, if you are of the conviction that only I am dear to you, only pleasing Me is dear to you, you will suffer far less than having many things in your life, people included, that are dear to you.*
- There is no way to avoid suffering. But this is why I promised to wipe away every tear.
- I am not asking you to strip your lives, **I am asking you to be ready to suffer anything for the love of Me.** Not anything of your choosing, but what I choose for you. If you were to make your own choices, they would be the wrong ones. Wait for Me. Wait for Me to show you what is no longer necessary in your lives. Do not second guess Me. Rather, wait on Me and I will reveal it to you. (full synopsis under **God/the Father – His Will For Us**)

Test the Spirits

~**They Will All Be Taught By God– September 22, 2016**

- Jesus: **test the spirits** (of news warnings even by other Christians and other prophets) See what the fruit is. Wasted time, fear, contrary to your current path in Me? not good fruit, re-evaluate. Love, peace, contentment, advancement in Me – good fruit. Carry on. I have a purpose for each life, and it please Me greatly when you follow that course. (full synopsis under **Jesus/Teaches Us**)

~**The Precipice of Presumption – September 30, 2016**

- Practice submission in every little thing and **you will strengthen this virtue**, so that in a moment of great weakness, when the devil is pushing, pushing, pushing you - you will turn

away from him and whatever he is suggesting. That is the point of Pride We are trying to work out of you. (full synopsis under **God/the Father – His Will For Us**)

World

Events/News

~Faith Without Works is Dead – September 3, 2016

Many attempts will be made to throw everything into chaos, but will not succeed. **Do NOT WATCH THE NEWS.** It will only confuse and frighten you, and take your eyes off ME. Even Christian channels cannot get the “real” truth many times. It all brings FEAR. Fearful people are easy to control. Rest in Me. You will never be able to care for yourself, cover yourself with preparation. I can. I will always bring you to safety if you are relying on Me.
- Listen to My voice ALONE. No matter where you hear it. Then no matter what happens, you will have My peace. **This is all a struggle against your faith**, to get you to turn to your own devices. Don’t fall for it! Soon enough the “powers” will offer you free things – and it will be your downfall – it will be a trap. (full synopsis under **Works for the Lord**)
