There are 66 books in the Bible.
God is the author of the Bible and He used 35
writers to communicate His truth over 1300 years.

The Bible reveals who God is and what His plan is for the whole world.
This includes God's plan of salvation through the work of His son, Jesus Christ.

The Bible is:

- **Inspired-** The Bible is "God breathed," as such; it is authoritative, inerrant, sufficient and clear.
- **Authoritative-** The Bible is the standard for belief and conduct for the Christian and for the Church.
- **Inerrant-** the Bible is wholly true without mixture of error in all that it speaks to.
- **Sufficient-** The Bible is all that the believer needs to live and grow in the Christian life.
- **Clear-** the Holy Spirit helps the Bible reader to understand enough about the way of salvation.
