- 3 A designated AB will be on board each boat during all racing.
- 3.1 All ABs will be assigned to boats in accordance with SI 19.
 - (a) The primary duty of the designated AB is the safety of all team members and of the boat. This includes to steer the Ideal 18 for brief periods of time but only to regain control of an out-of-control boat, or to avoid an imminent collision.
 - (b) It is the intent of the regatta that disabled sailors shall perform all possible activities on board the boat. Duties of the designated AB include assisting with activities that the disabled sailors are not able to complete due to their disability but only at the direct request and under the direct supervision of one of the disabled team members.
 - (c) The designated AB may perform the following activities while racing if such activities conform to the spirit and intention of SI Appendix B 3.1(b):
 - i. Cleat or uncleat any Ideal 18 running rigging at any time.
 - ii. Trim either the main sheet or the jib sheet, but not both, as the Ideal 18 rounds the leeward mark, or during the pre-start as a boat assumes her proper course to start.
 - iii. Release the main sheet as the Ideal 18 prepares to round the windward mark.
 - iv. Help the skipper with concentration as it applies to sailing too low or too high.
 - v. Hold out the jib wing-on-wing on downwind legs only on the side opposite from the forward crew unless that person's disability prevents winging the jib on their side.
 - vi. AB for a blind crew will act as "sighted guide" and may call tactics and provide sail trim directions as appropriate.
 - (d) The designated AB may sit on the windward rail of the boat at any time and may hike out. Only two of the three competitors may be on one side of the boat at any time while racing. All sailors shall sit aft of the mast.
 - (e) It is the skipper's responsibility to ensure that the crew and AB are acting in accordance with all provisions of the Notice of Race, Sailing Instructions and any other rules governing the regatta.
- 4 The number of partners in the mainsheet of the Ideal 18s may be reduced from three to two if sailing under full main and jib at the discretion of the competitor.
