## **BEGINNER LEVEL COURSE**

**4 hour course**

**Maximum number of students: 8**

**Cost: \$130**

The Introduction to Handgun Safety and Marksmanship is a training course is designed for the individual with very limited or no experience shooting handguns who is interested in learning how to safely and accurately use a handgun for recreational target shooting and/or personal safety protection. Time will be spent in the classroom and on SharpShooters USA's state-of-the-art firing range for practical exercise. This course will also prepare the shooter who is interested in using a handgun for defense to take the Concealed Carry course. The focus of this course is range and home safety, developing an understanding of the fundamentals of marksmanship, and learning how to use dry fire practice to increase shooting ability. Students will have the opportunity to fire up to 50 rounds of ammunition with an instructor's assistance.

Instructional topics include:

- The four basic rules of firearms safety
- SharpShooters USA range safety rules and video
- The importance of proper dry-fire practice
- The seven fundamentals of marksmanship
- Grip
- Stance
- Sight picture
- Sight alignment
- Trigger control
- Follow-through
- Breathing

Course cost includes one handgun rental, targets and reusable, souvenir SharpShooters USA eyes and ear protection. Ammunition is not included and must be purchased through SharpShooters USA when using a SharpShooters USA rental firearm.

**If you have our own handgun, you are highly encouraged to bring it and use it for the class.**

Students will receive a certificate of completion at the end of the course.
