

RLC FARMS MN LLC

REGISTERED PUREBRED BULLS
FOR SALE

It has been a long time that we have had a larger group of bulls to sell as we are very fussy on which one stays intact. We generally only keep a couple. These listed are what are still available. You can't go wrong when you use an RLC Farms animal. Just ask our many repeat customers.

PENDING

Because of the demand for RLC stock, we require \$1000 deposit before we can mark your bull pending. We expect to have him picked up by the end of March, 2026. We decided to A.I. a few years and definitely got our money's worth of fine animals and we are able to pass the genetics on to you. We did all the work so you don't have to! We value our customers and only want bulls that are the quality you need to better your herd. Thank you for looking and we hope to be welcoming you into the RLC Farms family soon! Please keep checking back for updates.

Names can be changed if you like as they are not registered yet.
