

CONFIRMING THE COVENANT

The purpose of this chart is to analyze the key milestones of dates for the various stages of the 1993 Oslo Accords. The implementations are between the State of Israel and the Palestinian Authority that established the Road Map to Peace in the Middle East. It appears that there are a series of Year Patterns associated with key start dates in conjunction to the eclipses of the Tetrad of 2014-15. Perhaps this Road Map is what will be 'confirming the Covenant'. The Prophecy of Daniel in the Old Testament is referring to regarding the fulfillment of a last 7 Week of Years of a 'Covenant with Death' Israel will make with the false Messiah to come. This 'confirming' is based on 'Peace and Security'. If one starts with the Oslo Accord signing in 1993, and IF it is the 'Covenant', then one ends up with the following peculiar phenomena. The 5 main stages of the implementation of the Accord key dates produce a repeated Year-Pattern of 20, 22 & 16 years respectively. There are 1 set of 20 years and 1 set of 16 years. The Date-Patterns from the Accord to the Tetrad are exact -down to the very day. The Declaration of Principles is 22 years and the Sharmel-Sheikh Memo is 16 years exactly to the Solar Eclipse of Sep 13, 2015. The Oslo Accords II is exactly 20 years to the day, and the Al-Aqsa Intifada is 15 years to the Blood Moon of Sep 28, 2015. The Wye River Memo is exactly 16 years to the day on the solar eclipse of Oct 23, 2014. The 2nd Gulf War is exactly 12 years to the day on March 20, 2015 which is both the Spring Equinox and a Total Solar Eclipse.

OSLO ACCORD ROAD MAP TO PEACE AND SECURITY

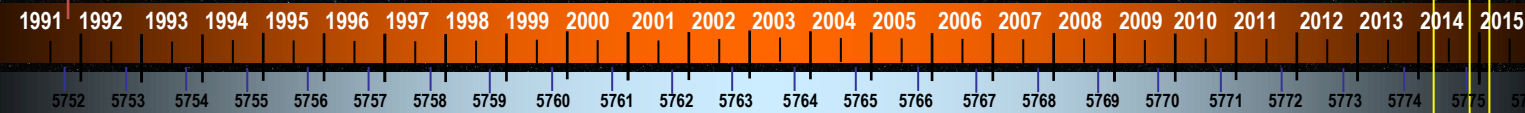

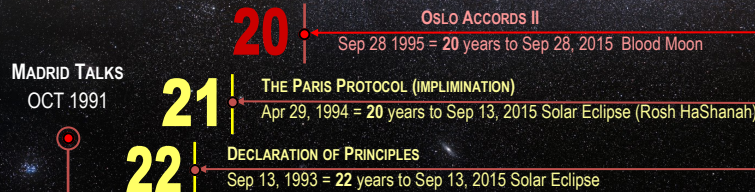

CONFIRMING THE COVENANT

It refers to the Prophecy of Daniel and the Book of Revelation. A 'confirmation' will be established by a world figure to an already existing 'COVENANT' or Treaty made. This Treaty or 'Covenant' is understood to have already promised to deliver a 'Lasting Peace' or 'PEACE & SECURITY' guaranteed to Israel. It is possible that the OSLO ACCORD OF 1993 is that 'COVENANT.' The various key stages of implementation dates only requires a 'confirming' of what has already been agreed upon with the 'Many', meaning a multi-national cooperation and understanding.

UNITED NATIONS

The Security Council has been meeting over dividing the Holy Land of Israel. They want Israel to give up the West Bank and East Jerusalem. According to the Bible, the land of Israel was given in a Covenant Promise to Abraham by GOD in Genesis 15:18 and Joel 3:2.

If the Land of Israel is divided, YHVH in the Scriptures declares that He will divide the nation that does this.

Some 'One' within the UN, as a possible condition of establishing a sovereign Palestinian State might be the One to 'confirm the Covenant' with Israel. It could be a Land for Peace and recognition of a Palestinian State. A later prominent World Leader will arise, after a probable regional Middle East war (Psalm 83) against a victorious Israel thereafter to confirm the pre-set conditions that will guarantee Israel Peace and Security. Without a Palestinian State. The UN could be the "Many" as in many Nations or the QUARTETTE made up of the US, EU, UN and Russia. Regardless of the scenarios, these world political entities will play a significant political, economic, military and religious End Game affecting Israel in the near prophetic future.

PROPHETIC PSALM?

Psalm 118:10-12 for Israel = 2018
 "All nations compassed me about:"
 All nations will surround Israel.

From APR 9, 2015 at the end of the Passover Week of the 1st Blood Moon of 2015 on APR 4th to Yom Kippur SEP 19, 2018 = 1260 days

The Hebrew calendar has 30 day months with 360 days in a year. The 7 years of 360 days would equal 2520 days.

2014-2015 TETRAD

PALESTINIAN FAÇADE

Abu Jihad, Yasser Arafat's deputy, at the PLO's Algiers summit in 1988 said the following.

'What we are doing is carrying out a 2-phase strategy. This is a policy that says first we get a Palestinian State - next to Israel, then we use it as a base to destroy what remains of Israel. In order to get to the first step we must persuade the world of our own good intentions, that we don't intend to carry out the second phase.'

The Road Map is a deception aimed at gaining the support of the nations of the world for a policy which in fact they would disapprove of, namely the destruction of Israel. According to the Koran, Muslims are not obligated to honor any agreement or peace treaty made with non-Muslims.

'ISRAELSTINE'

What the states of Israel and Palestine would have looked like if the Palestinians would have accepted the UN Partition Plan of 1946. Instead, 8 well equipped Muslim armies attacked Israel on May 15, 1948, on the Sabbath eve of Pentecost.
