↓
- a. 2 each 45 kw generator operating normally.
 - b. 1 each 45 kw generator sent from AFVN Saigon has not been put into service as of this date.
 - c. 1 each 45 kw generator shipped to Da Nang, PA & E for overhaul. Shipping documents have been sent to NCOIC AFVN Supply.
 - d. 2 each 50 kw generators for GVN are not operational. The Navy Support Activity, Da Nang, made one trip to Det 5 area and gave GVN one time support help. As reported by Det 5, Mr. Biggs, NBCI, had requested the Naval Support Group to return again to work on their generators. However, the Naval Support people had replied that they had gone to Hue on a one time support mission and could not return without authorization from higher headquarters.
