

UPDATED SHOW RULES & COVID GUIDELINES

- **MASK ARE MANDATORY at all times during the whole week of the show**
- All high traffic and commonly touched areas will be sanitized throughout the entire show.
- 10 portable hand washing stations will be utilized and placed throughout the entire show.
- No Vendors will be allowed this year
- Concession Stand will follow all health guidelines of the CDC and Food Handlers requirements. Food handler certificates will be on file for volunteers. Individually wrapped items. Pre-packaged silverware and condiments only.
- No tables or congregation will be allowed in the concession stand area.
- Social distance spaces will be placed on the ground to make sure line area is spaced out in front of Concession Stand.
- Bleachers will not be used during the show.
- **All exhibitors and animals will exit premises after the show.**

Swine

- Swine Exhibitors will be assigned times to start setting up their pens by club starting Sunday-Tuesday. If specific time does not work for an exhibitor then they will be required to contact Swine Superintendent to get approval to come at a different time
- All pens must be setup prior to arriving with animals
- 2 pigs per pen, pens will be assigned by club and all families and community barns will pen together. 1 pen will be skipped in-between next exhibitor.

Homeskills

- Exhibitors will enter through the south door and will be staged and social distance outside on the sidewalk. Volunteers will be monitoring the line.
- Exit will be the door leading to the concession area.

Goats/Lambs

- Recommend all exhibitors to show from trailer, if not possible then they will be able to use a horse stall one per family and each participant is responsible to clean the stall after the show.
- All trailers will be directed and staged by the doors near the warm-up area and the bucking chute area for the goat and lamb show. Volunteers will be handling the traffic and staging areas for the trailers

Cattle

- Recommend that all exhibitors show off trailer, if not possible will have limited stalling available.
