# Membership

Our chapter has recently completed our annual membership renewal campaign. Thanks to Glenn for his various solicitations of our members by e-mail and postal mail. The revised MHC Membership chart, shown below, reflects the addition of first quarter 2022 membership information and shows a 16% increase in the number of dues paying members from the 4<sup>th</sup> quarter of 2021. Thanks to all of you who have renewed your dues paying status! Your participation helps us keep our chapter programs going!

If you missed the April 1 deadline, you can still send in your dues in one of two ways:

**1. By Check (include your membership form) mailed to:**

MHC Membership Data Coordinator  
11152 Westheimer #729  
Houston, TX 77042

**2. By Credit Card:** Click on this link [Pay Dues](#) and follow the guidance there.

The 2022 MHC Membership Directory has been distributed. Consistent with our past practice, 167 members were dropped from the roles on April 1 for non-payment of dues. If you haven't received your Directory yet, or if it was damaged in the mail, please contact us and we'll get one out to you. The directory includes the following chapter information: Board of Directors, the neighborhood luncheon schedule, a list of current members, a list of members who passed away in 2021 and the MHC Constitution.

You may recall from the previous membership report that our chapter has experienced significant growth in membership in 2021. These new members were eligible for our "Current Year Free" program, so no annual dues were required. As a result, the gap between the number of Total Members and Dues Paying Members had widened. I attributed part of that gap to Covid restrictions, which caused our Local Neighborhood Luncheon program to be on hiatus for most of 2020 – 2021. Fortunately, the Covid restrictions have been lifted and we have restarted our Local Neighborhood Luncheon programs. As time goes on, we hope that our "Current Year Free" members will find value in attending the quarterly luncheons and elect to renew their memberships.

I wanted to also thank those members who have elected to take advantage of the opportunity to pre-pay their dues into the future. At this time, 192 members have done this, with one member paying through 2031!

We are interested in any idea or suggestion that you may have to make our chapter more to your liking. Please email [membership@cra-metrohouston.org](mailto:membership@cra-metrohouston.org) with your ideas or suggestions.

Thank you, Brian Batiste - MHC Membership Committee Chair

## Scholarship Committee Report – Maya Pendleton

Ron Dethloff has agreed to serve on the Scholarship Committee and will assist in the evaluations in June. We have 6 applicants and some referrals and required documentation has started to trickle in. We expect more activity before the end of the May from teachers submitting referrals and in early June for transcripts after finals are completed.

**The Scholarship program is supported by your voluntary donations.**
